

SPRINKLES

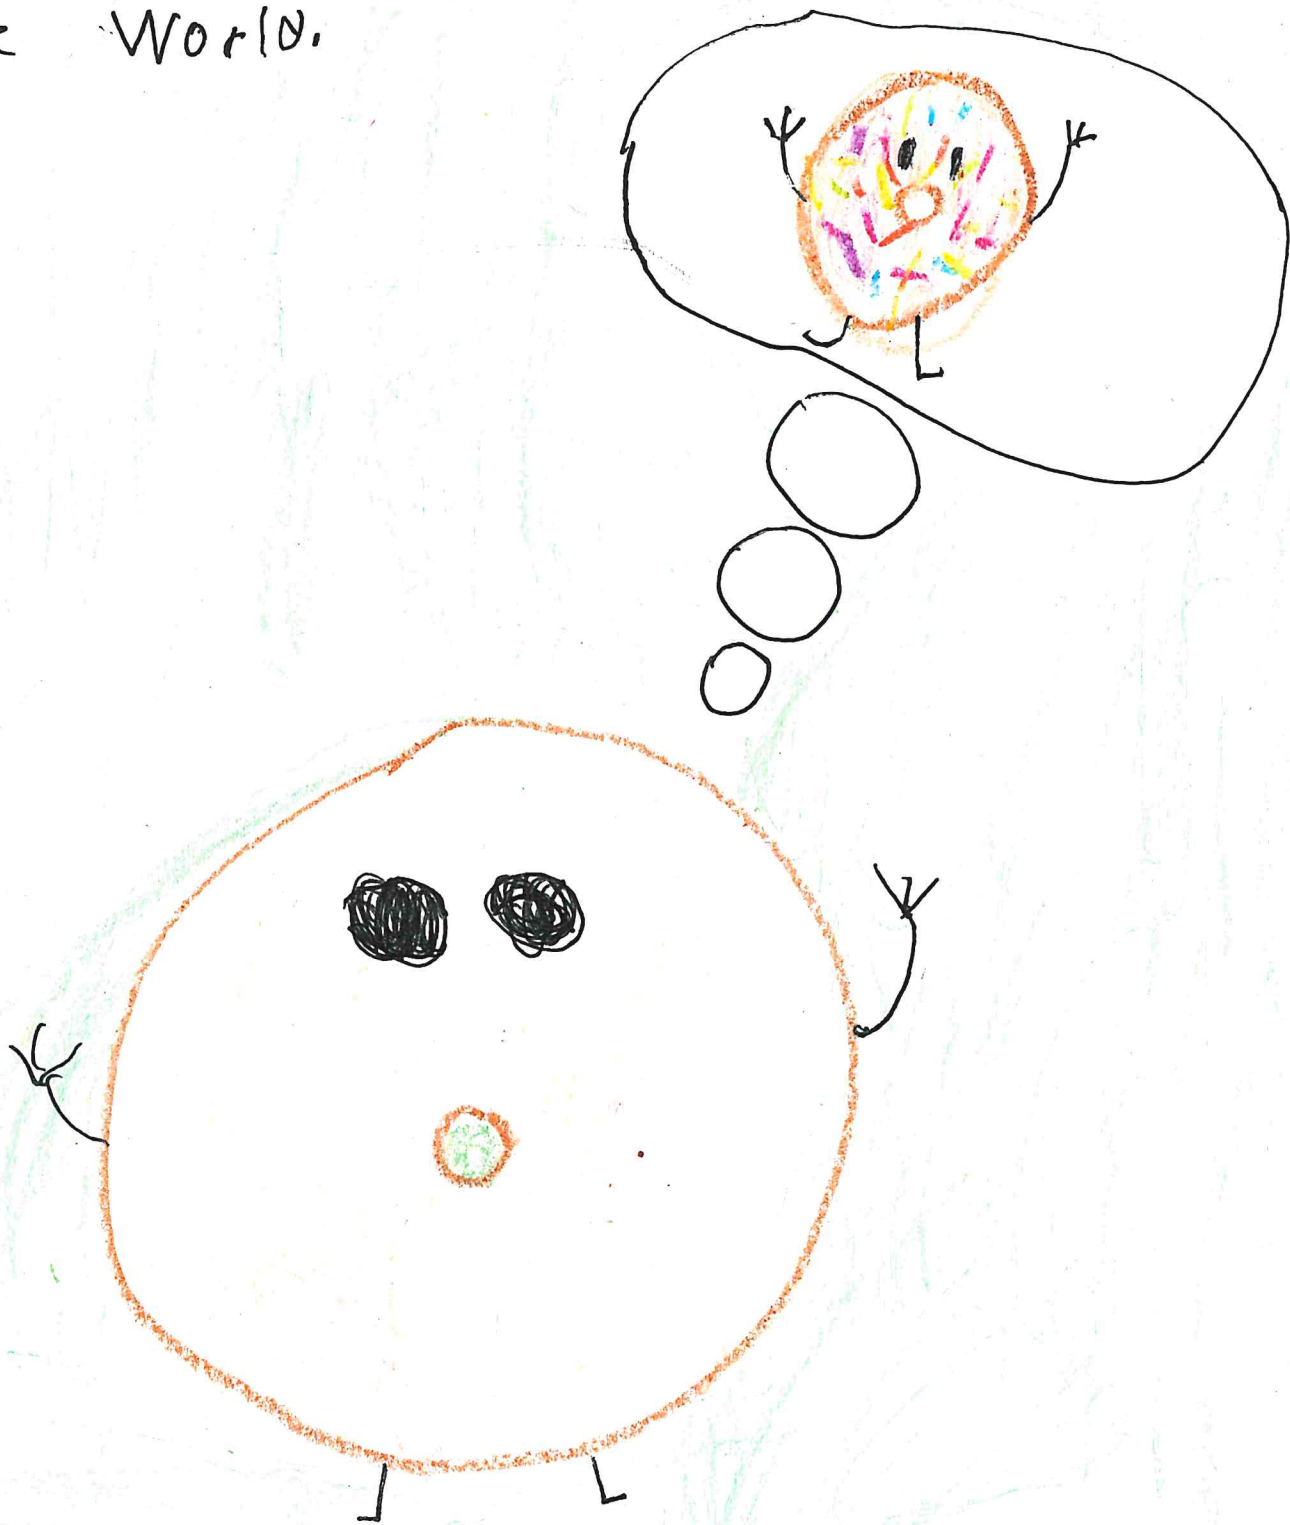

by Otis Sally

Once there was a
donut named pebbles. He was
a plain donut.

A plain, naked donut!

Pebbles didn't want to be
a naked donut. He wanted Sprinkles.
He dreamed of being covered
in the most colorful sprinkles in
the world.

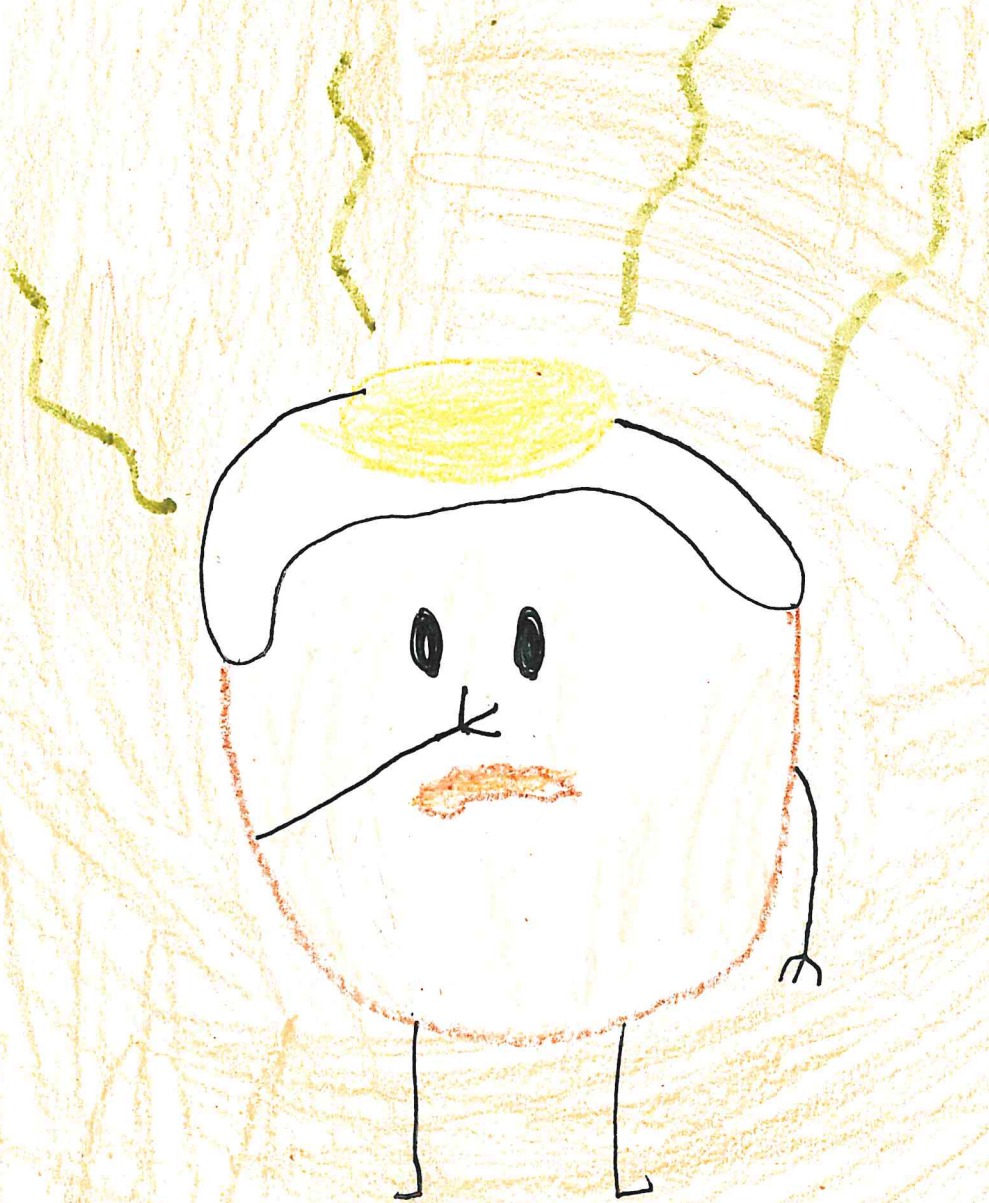

He Tried To Put Sprinkles
on his Dough but They wouldn't
Stick.

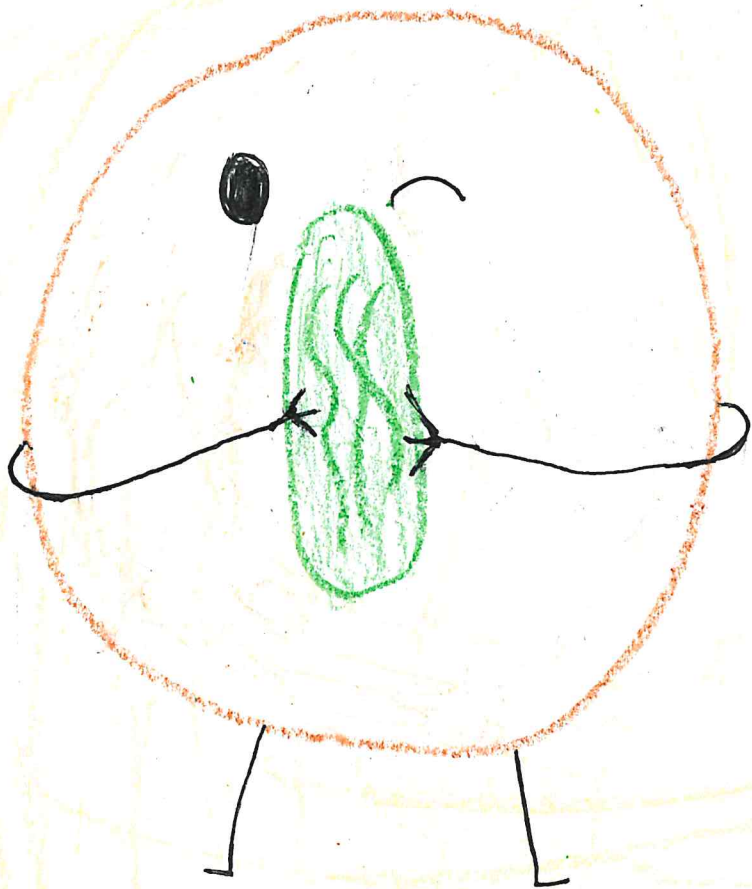

Pebbles Tried To use Orange Juice
to get The sprinkles to stick But
he Just got soggy.

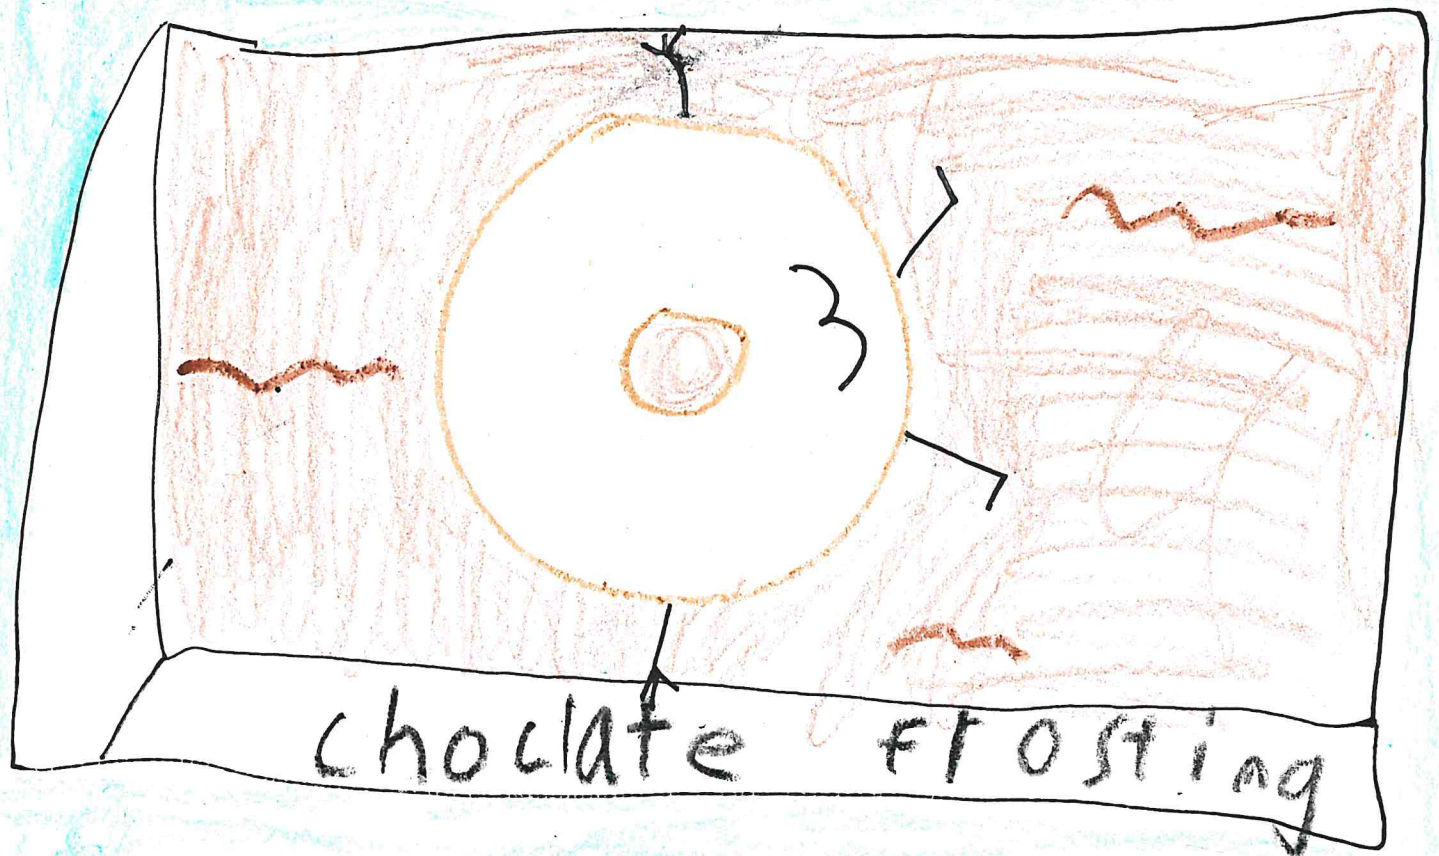

Then he Tried To Use An Egg But
it made him smell like a fart.

Next, Pebbles tried a Pickle
but he got pickle juice
in his eyes.

He went to get the juice
out of his eye but he
fell in a Big Tub of frosting.

Then he finally realized
The sprinkles stick
to the frosting.

Pebbles The donut was never
plain or naked ever again.
