

Bun Bun the Hero

By: Alice Pearse

Bun Bun was hopping through the forest and then...

Bun Bun heard a strange sound. It was Bun Bun's friend Bobcat calling, "Help! Help!"

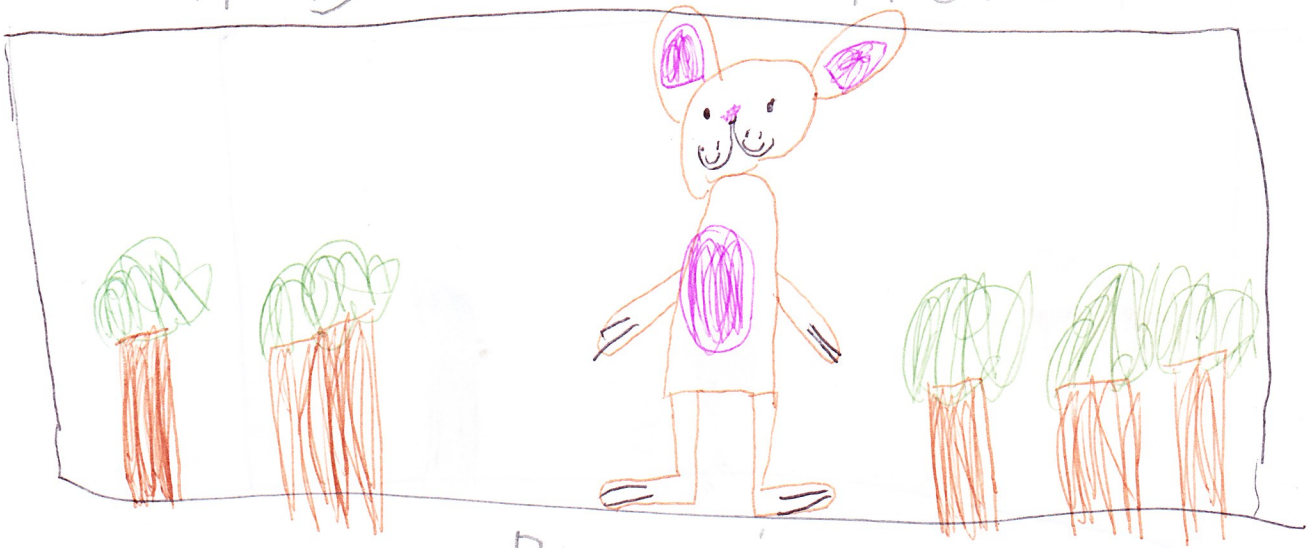

Bun Bun finds Bobcat and a wolf is trying to eat him. Bun Bun tells the wolf, "you don't have to eat meat."

Bun Bun invites the wolf into Bun Bun's burrow. Bun Bun offers the wolf a bowl of salad.

The wolf really liked the salad, so he never ate meat again.

The End.
