And To All The
Lonely Animals Who
Need Homes.

Hi! I'm Pula Chela, and my mom is taking me to get a pet! At first I thought we were going to the movies, but we weren't! We were going to the Souris valley animal Shelter. But I have no idea what a "Shelter" is!

Wow! The Shelter is bigger than I imagined! "Hello!" I am the shelter attendant. I bet you want to get a pet?" she said. "Yes! I do!" Then she led me to the kennels. And there were so many animals! Cats, dogs, and more!

Who wants me?
all dirty and grimy.
all beat up and torn.
maybe you? or her
to?

Hello! my name is
Betsy! are you my
next owner?

sex:
girl

breed:
Chiwa-wa.

name:

Betsy

Now I think I know what pet
I want! But, I'm not sure. But wait,
I see a little sign about the
animal. let's read it.

"Mom, can I take a dog and play with it?"

I asked. "You can take a animal and play with it Pzela. Take it to the toy room and you can play with it all you want" my mom said. so I did and it was very fun.

"mom, I think I want this one" I said.
My mom said "how about that Bongi over
there?" I looked over and my eyes lit
up. "I want that one" I said. We named
him Barley. But I still had one question...

"mom, what's going to happen to the other animals?"
I asked. "well, you can read to them or tell
your friends about them, but sometimes the
animals can't stay. Because they weren't adopted.
that's why it's important to adopt
them." so I know what I have to do but
remember, I can't help all of them but you can!
Bye for now!

I love you Barley!
