there was a
unicorn named
Luna.

Luna has a
family that

with

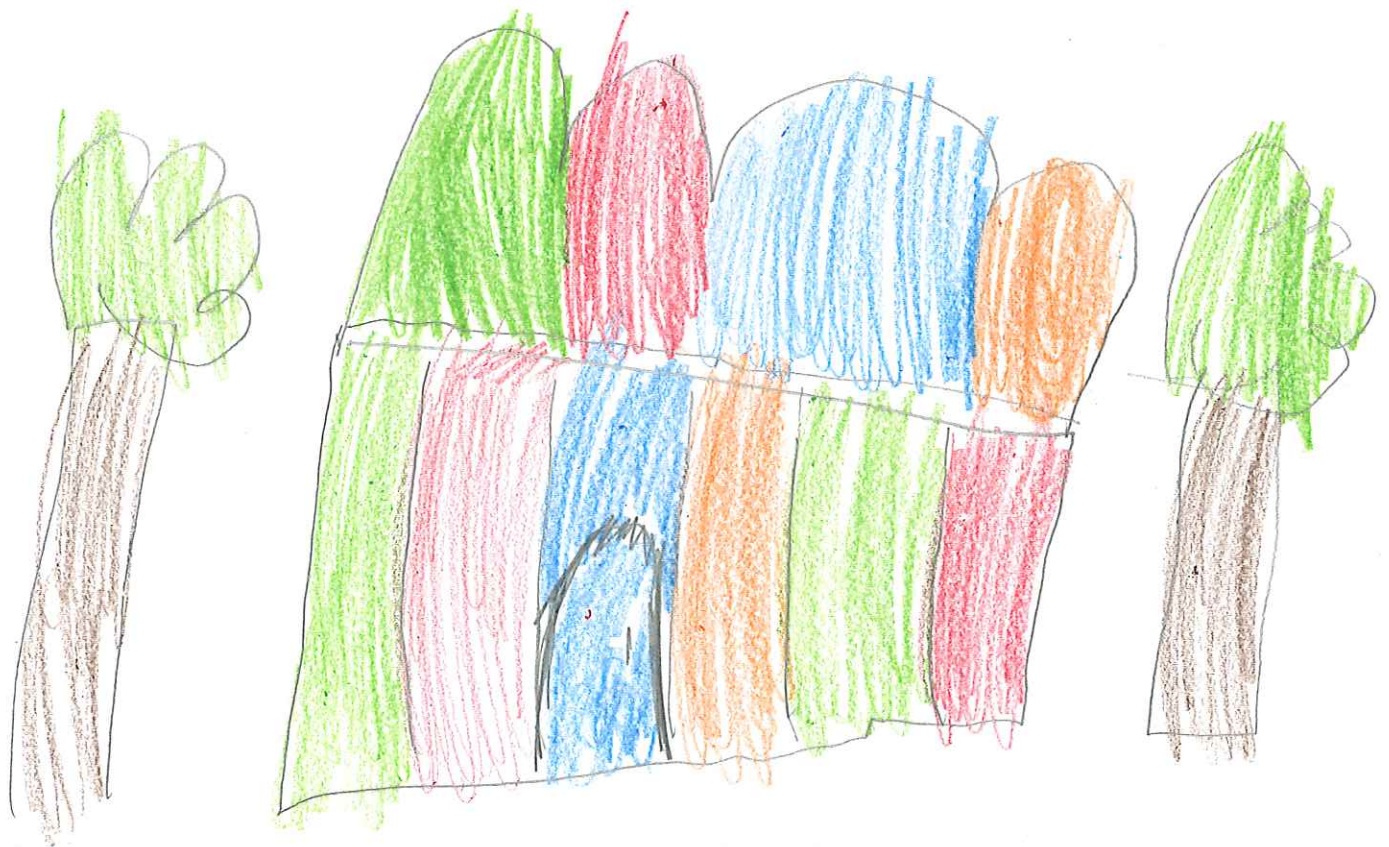

One day, she
went for a long
walk in the
woods. She went
farther than
she had ever
been before.

After a while
— she realized —
— she was lost. —
— Luna was scared.

She was also cold.
So she used her horn
to make a
cupcake house.

The witcher so
animals in the
woods started
eating her house.
Lana got very
very mad.

-Then Luna had a
good idea. She
would make a big
cupcake for the

animals so they
would leave her

The animals
were happy.

Luna had a great
idea. She
opened a bakery.
Everyone was happy.
