

Backyard Trouble

With Pink and Kitten Watermelon

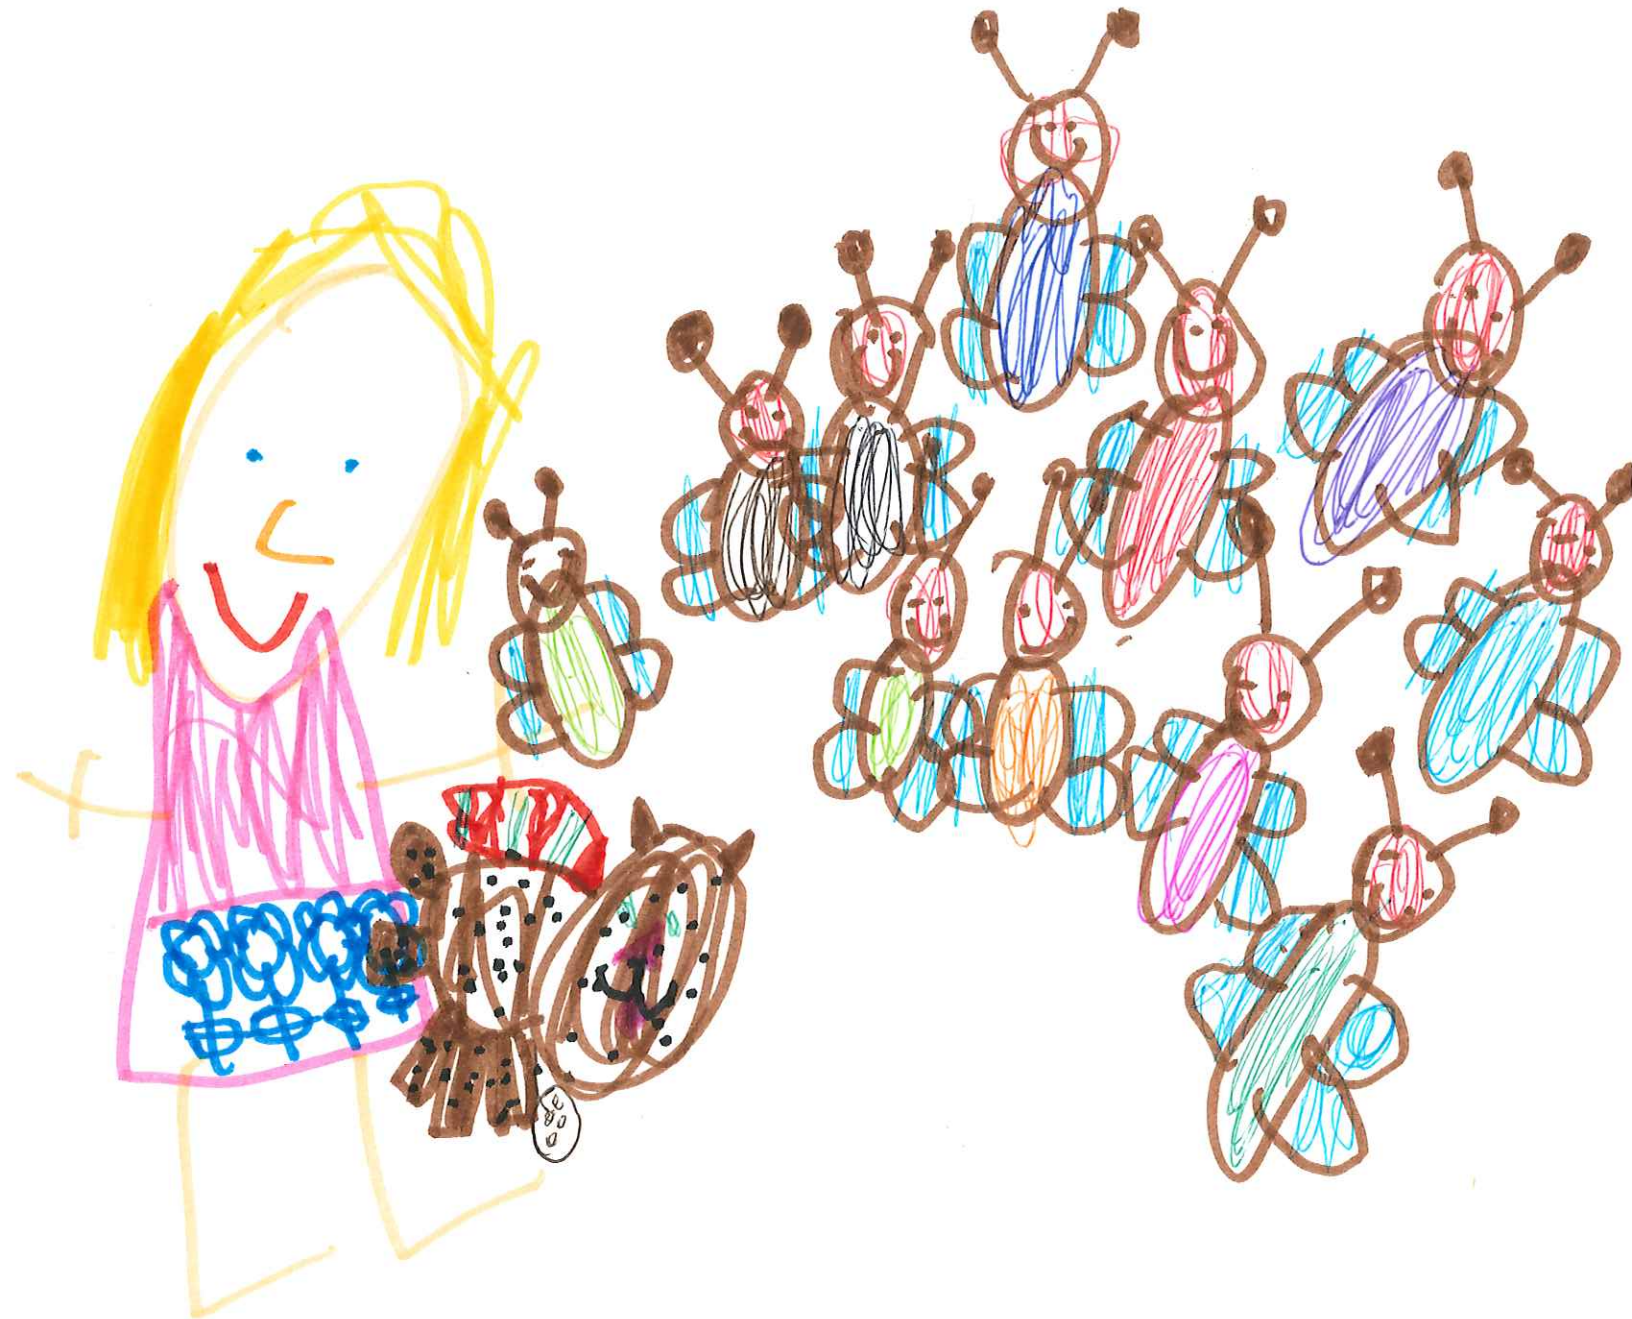

By: Allyse

Pink is a little girl who has blonde hair and has blue eyes. She wears a pink dress with blue flowers. She loves pink.

Kitten Watermelon is a small cat with brown fur and black dots. She wears a watermelon cape to keep her safe.

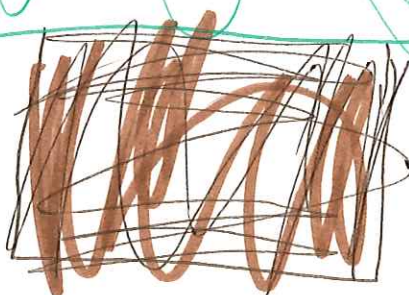

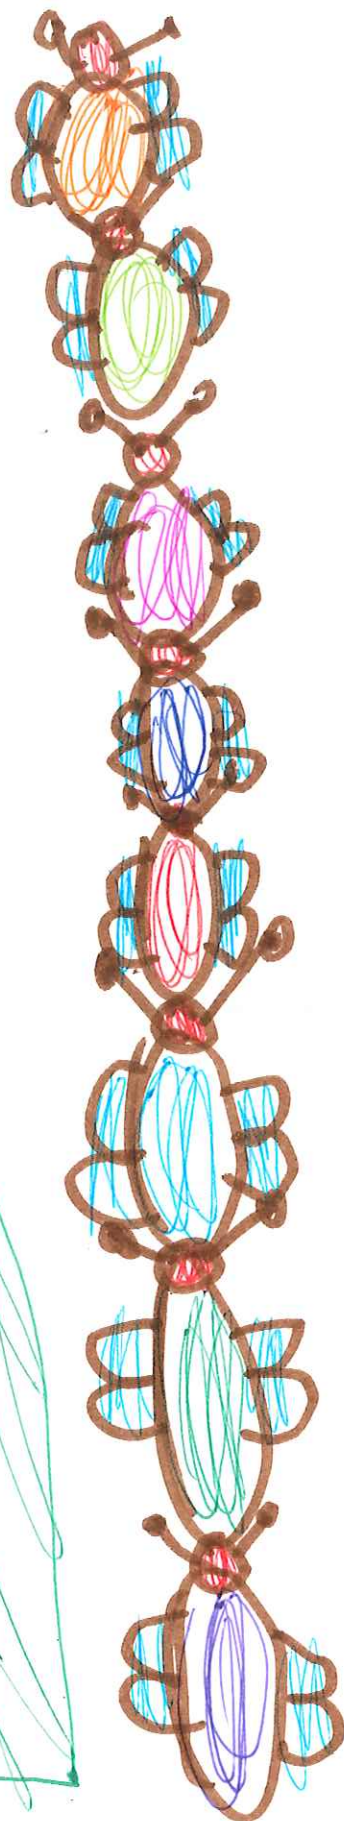

One day, Pink and Kitten Watermelon were playing in the backyard.

They saw butterflies and wanted to play with them. They chased the butterflies, but the butterflies were scared.

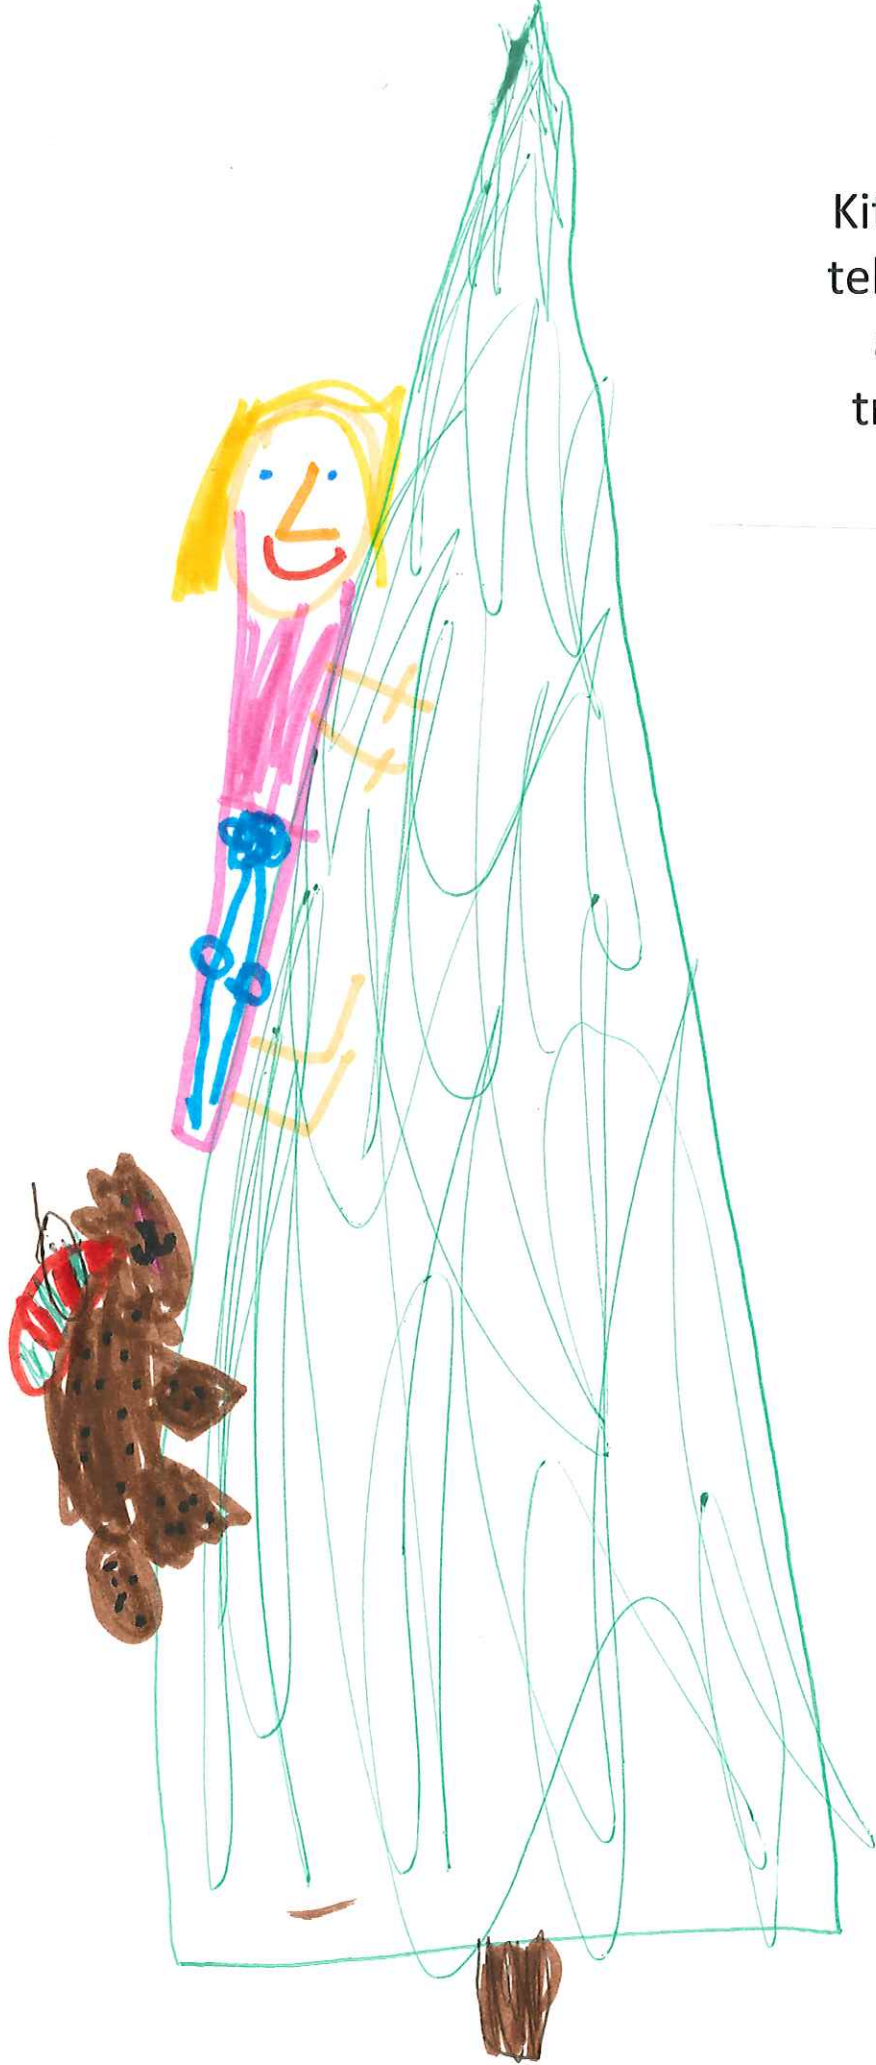

The butterflies flew up high
in a tree. Pink and Kitten
Watermelon followed the
butterflies up up up,
high in the tree.

Pink was in trouble.
She climbed too
high and slipped.
She fell a little.

Kitten watermelon had a
telephone and she called
a fireman. The fireman
tried to get them down,
but he couldn't.

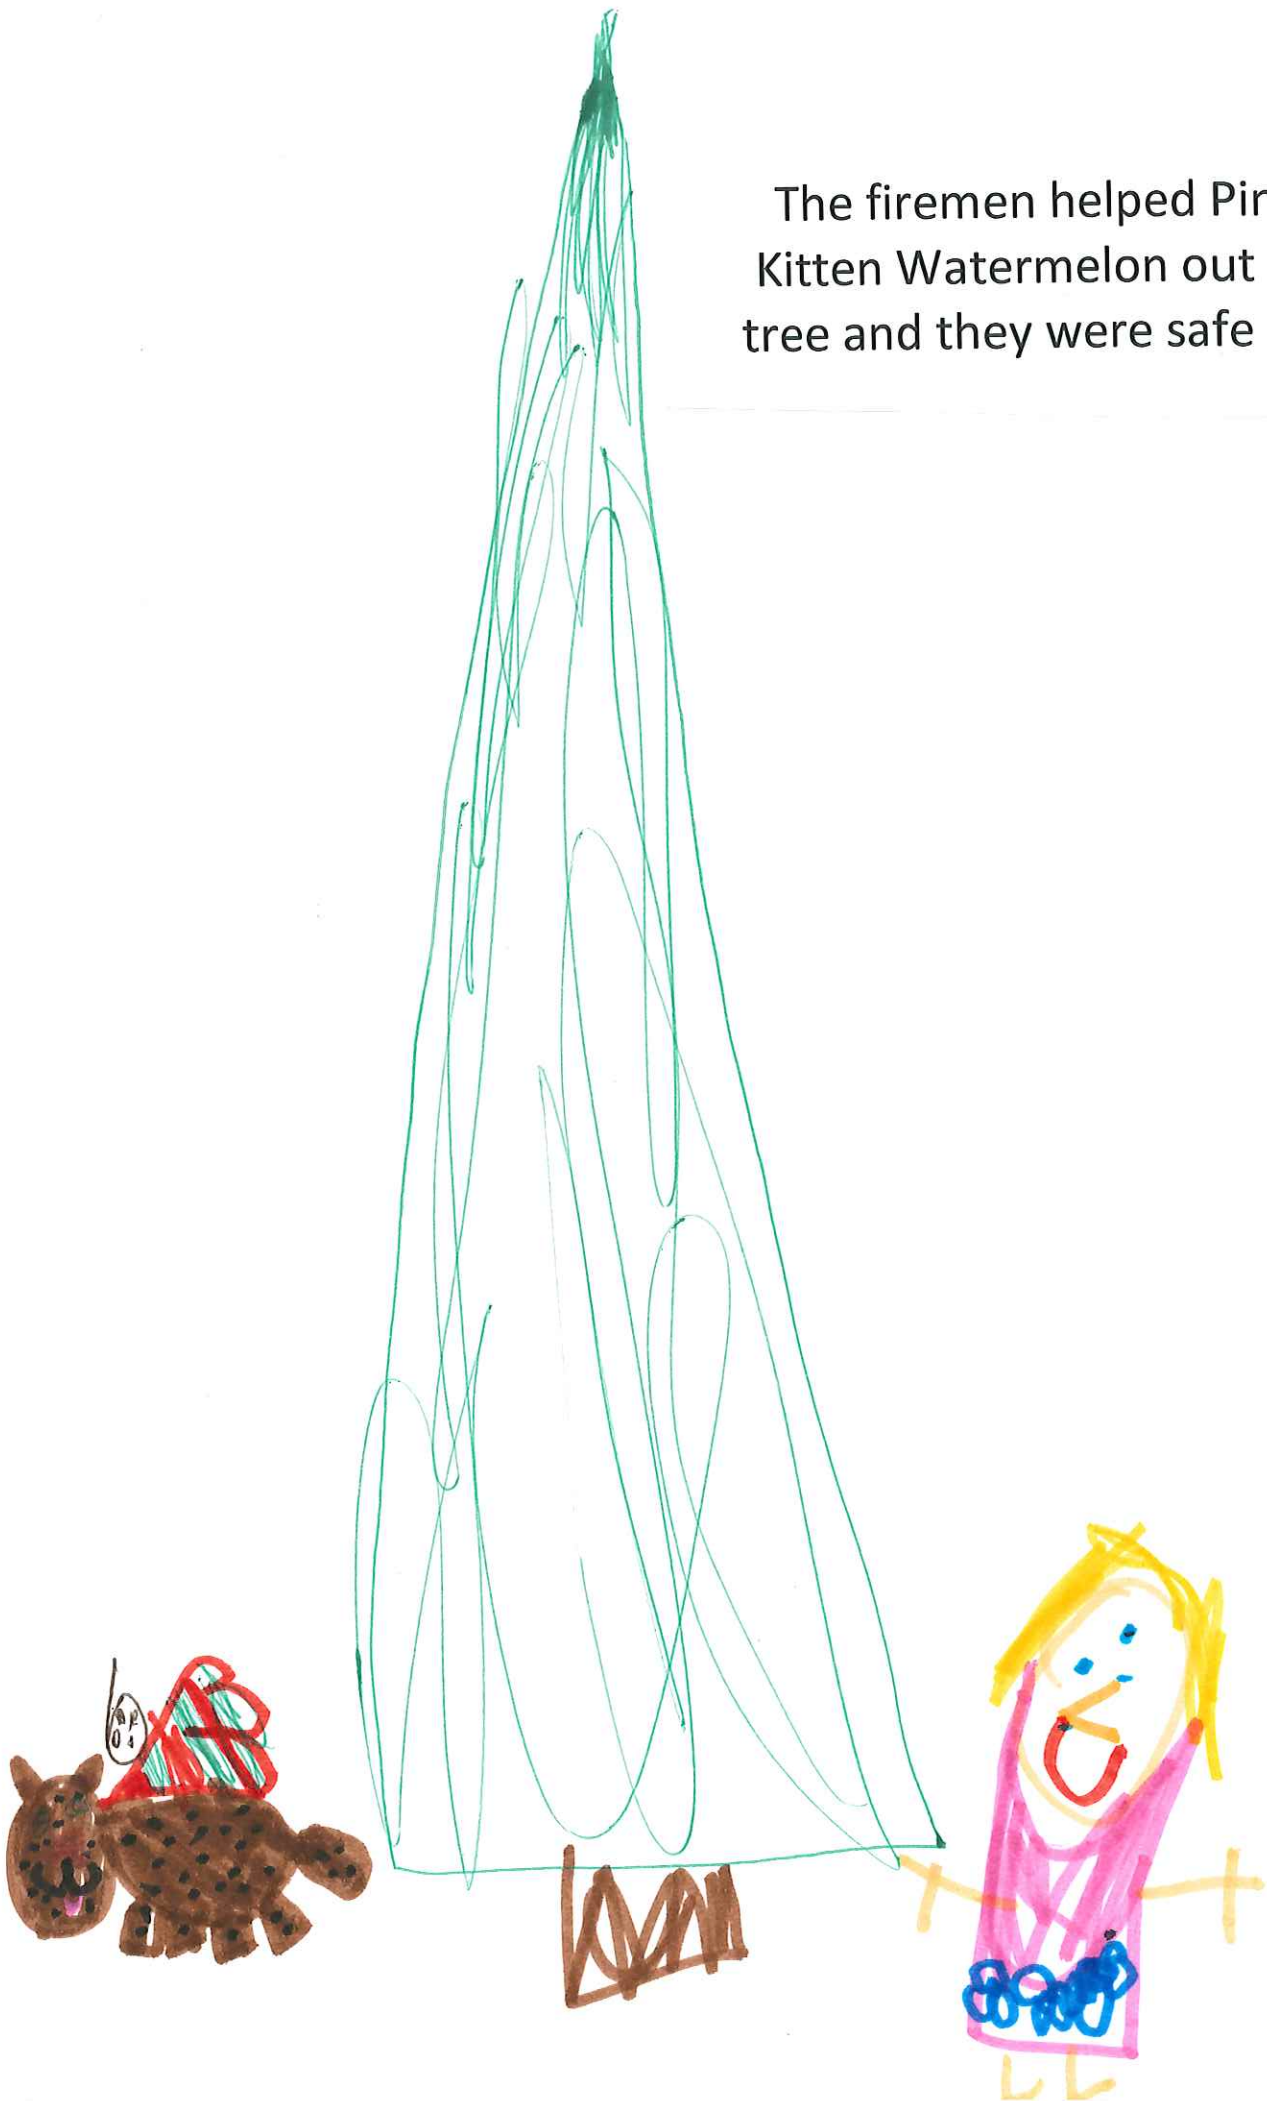

He called more firemen.
They worked together

to send one firefighter
up high to reach Pink and
Kitten Watermelon.

The firemen helped Pink and Kitten Watermelon out of the tree and they were safe again.

Then they went inside. They played tag and ate pizza.

Then they went to sleep and dreamed of playing with the butterflies. The End.
