

The Lost penguin

by Alex Nam

The best detective
in Antarctica got a
call from the
Penguin watch house.

Dr. Sage Said a baby
Penguin is missing
the detective came
and Sarched for
clues Then he
found out the Paint
bukats were all Spila

Dr. Sage said she
didn't know where
the bukats were

Spild then Dr. Sage
stepped on the
snow there were
foot prints.

③

the detective folloed

The foot prints and
the foot prints led to

the ocean then the
detective swimed in
the ocean and found

the Penguin.

(4)

SECRET

then the detective
Swimed back up
With the penguin
then the detective
Put the penguin back
in the penguin watch
house. And the penguin
Wasnt Sick.

-The End
