Get Moving

BINGO

Learn at Home with PBS KIDS

**Week of
May 24th**

Hello, Families!

Welcome to **Learn Along Bingo!** We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's "Get Moving" Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Moving Your Body

There are many ways that people can move their bodies. Children will practice controlling their bodies and grow developing gross motor skills.

Show What You Know: Animal Charades

The last activity in this packet is a perfect way for children to learn about how they can move their bodies.

Tune in: Watch DANIEL TIGER'S NEIGHBORHOOD at 8am ET on Tuesday, May 25th on the PBS KIDS 24/7 channel.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!

Move Your Body!

_____ Name

Did you know that you can move your body to form the shape of alphabet letters? Sometimes you will need to tag in a friend or family member to join the fun because you might need help to create the lines or curves of the letter. After you recreate the letter, cross it off on your chart.

A	B	C
D	E	F
G	H	I
J	K	L
M	N	O
P	Q	R
S	T	U
V	W	X
Y	Z	

Find more games and activities at pbskidsforparents.org

Alphabet Aerobics

Instructions: Cut out the shapes and scatter them across the floor. One person will be the caller. The caller will call out a letter and ask the players to move to find the letter in a special way. You might say, "Tiptoe to the letter A." You can share clues like, "The letter A is in the middle of a hexagon." Encourage everyone to practice moving safely to the letters and working together to find them.

Name

Get Walking!

Taking a walk with your family is a great way to exercise and have fun! Invite a grownup to plan a walk around the neighborhood. How many steps do you think you will take? Practice counting out loud together.

Take turns and call out different ways you can move on your walk, like hopping, skipping, sliding, or jogging.
