

Girl Scouts of Southeastern New England & Rhode Island PBS Kids Club

Patch Program

Girl Scouts of Southeastern New England has partnered with Rhode Island PBS Kids Club to bring a unique new patch opportunity to Girl Scouts in our council! Rhode Island PBS believes that everyone in America deserves great media—so for the past 50 years, they've strived to provide people of every age and interest with a classroom, a passport, and a stage for the arts. PBS programming is free, educational, and fun—public broadcasting stations are the ones who gave us favorites like Sesame Street, Arthur, and Daniel Tiger's Neighborhood! The GSSNE and Rhode Island PBS Kids Club Patch Program gives Girl Scouts the opportunity to learn more about the opportunities and resources that local Public Broadcasting Stations provide.

Steps to earn the Rhode Island PBS Kids Club & GSSNE Patch:

- Tape a testimonial using home equipment (iPhone, recording device, etc.) about one episode of one of the Rhode Island PBS children's programs. What did you love about it? What did you learn? What was the moral? Then send it to Rhode Island PBS! Once a month (for 6 months), up to four videos from GSSNE Girl Scouts will be featured on the Kids Club home page!
