Dear Diary, today is my birthday. You'll never guess what I got.

A mermaid! She's the cutest thing I've ever seen. She's white with a teal tail. Her name is Bubbles. After we ate Kelp-cakes

Bubbles and I swam to the underwater zoo. When we got there we saw a sea-lion, sea-monkeys and a sea-panda. I even

got my favorite lunch, a salad with sea cucumbers and coral corn! It was the best birthday ever!!

Today we made a trip to the pet store. I used my sanddollars to buy a collar and a soft seaspong bed for Bubbles. She LOVES it! Tonight my cousins Shelly & Pearl are sleeping over. I can't wait for them to meet Bubbles. We are going to eat popcorn and watch my favorite movie "The Little Mermaid".

Yesterday Shelly + Pearl came over. They spent the night. We spent most of the day playing with Bubbles. We took Bubbles on a long swim. She was so tired she fell asleep on Shelly's lap. After Bubbles woke up we decided that we were hungry for ice cream. We took a short swim to Algae's Ice Cream Shop. I got sea-herry ice cream Pearl got a seaweed-sandae and Shelly got a mer-malt. It was DELICIOUS!

It's midnight and Bubbles is keeping me up. I guess the mercat nap was a bad idea! At least it's summer brake so I am able to sleep in. Who knew mercats had so much energy?!

Bubbles + I are staying with aunt Sandy this weekend. Mom + Dad are going on a sea cruise. I love staying at aunt Sandy's. She has so many pets. My favorites are the sea horses and her mer cat Ariel. I can't wait to go on my first sea horse ride... Wish me luck!

I had an amazing time yesterday! I rode every sea horse she had. It was a little hard getting on and off, but riding was awesome! We rode all afternoon. THE
