

The Dark Night:

by Elijah Mabin

"Dad I cant go to sleep"
"yes, you can," said Dad."

I need a blanket
first," said the kid.

So, Dad got a blanket.
Next, the kid requested
something to drink.

While he was sipping
his water, he heard
his Dad snoring.

The kid tucked his dog
in tight and turned on
his noise machine.

And the fun begun...

First, some special treats and a dance party!

Up next, popcorn and a movie!

As the night grew darker, the kid became sleepy and decided to relax with yoga poses.

The kid got his water and blanket
and climbed up to his bed and went to
sleep.

The Dad woke up and the Kid slept
until lunch time!

You
Slept
So
late!!

I may
have
been
extra
tired!

The End
