

The Koala
Who Couldn't
Stop Sleeping
by Henry E.

Koala was napping
on his favorite branch.

When suddenly he heard
a slow moan. He woke up
and saw sloth. Then he fell
off his branch! "Hey Koala"
and Koala fell asleep.

"Are you ok?" asked sloth.
snore snore snore! "Oh koala,
can't you stay awake?" snore
snore snore!

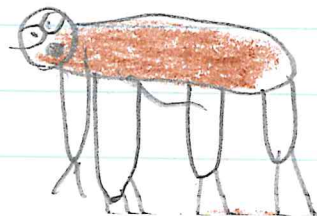

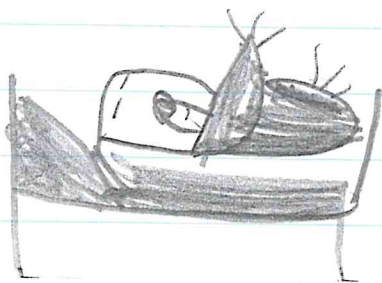

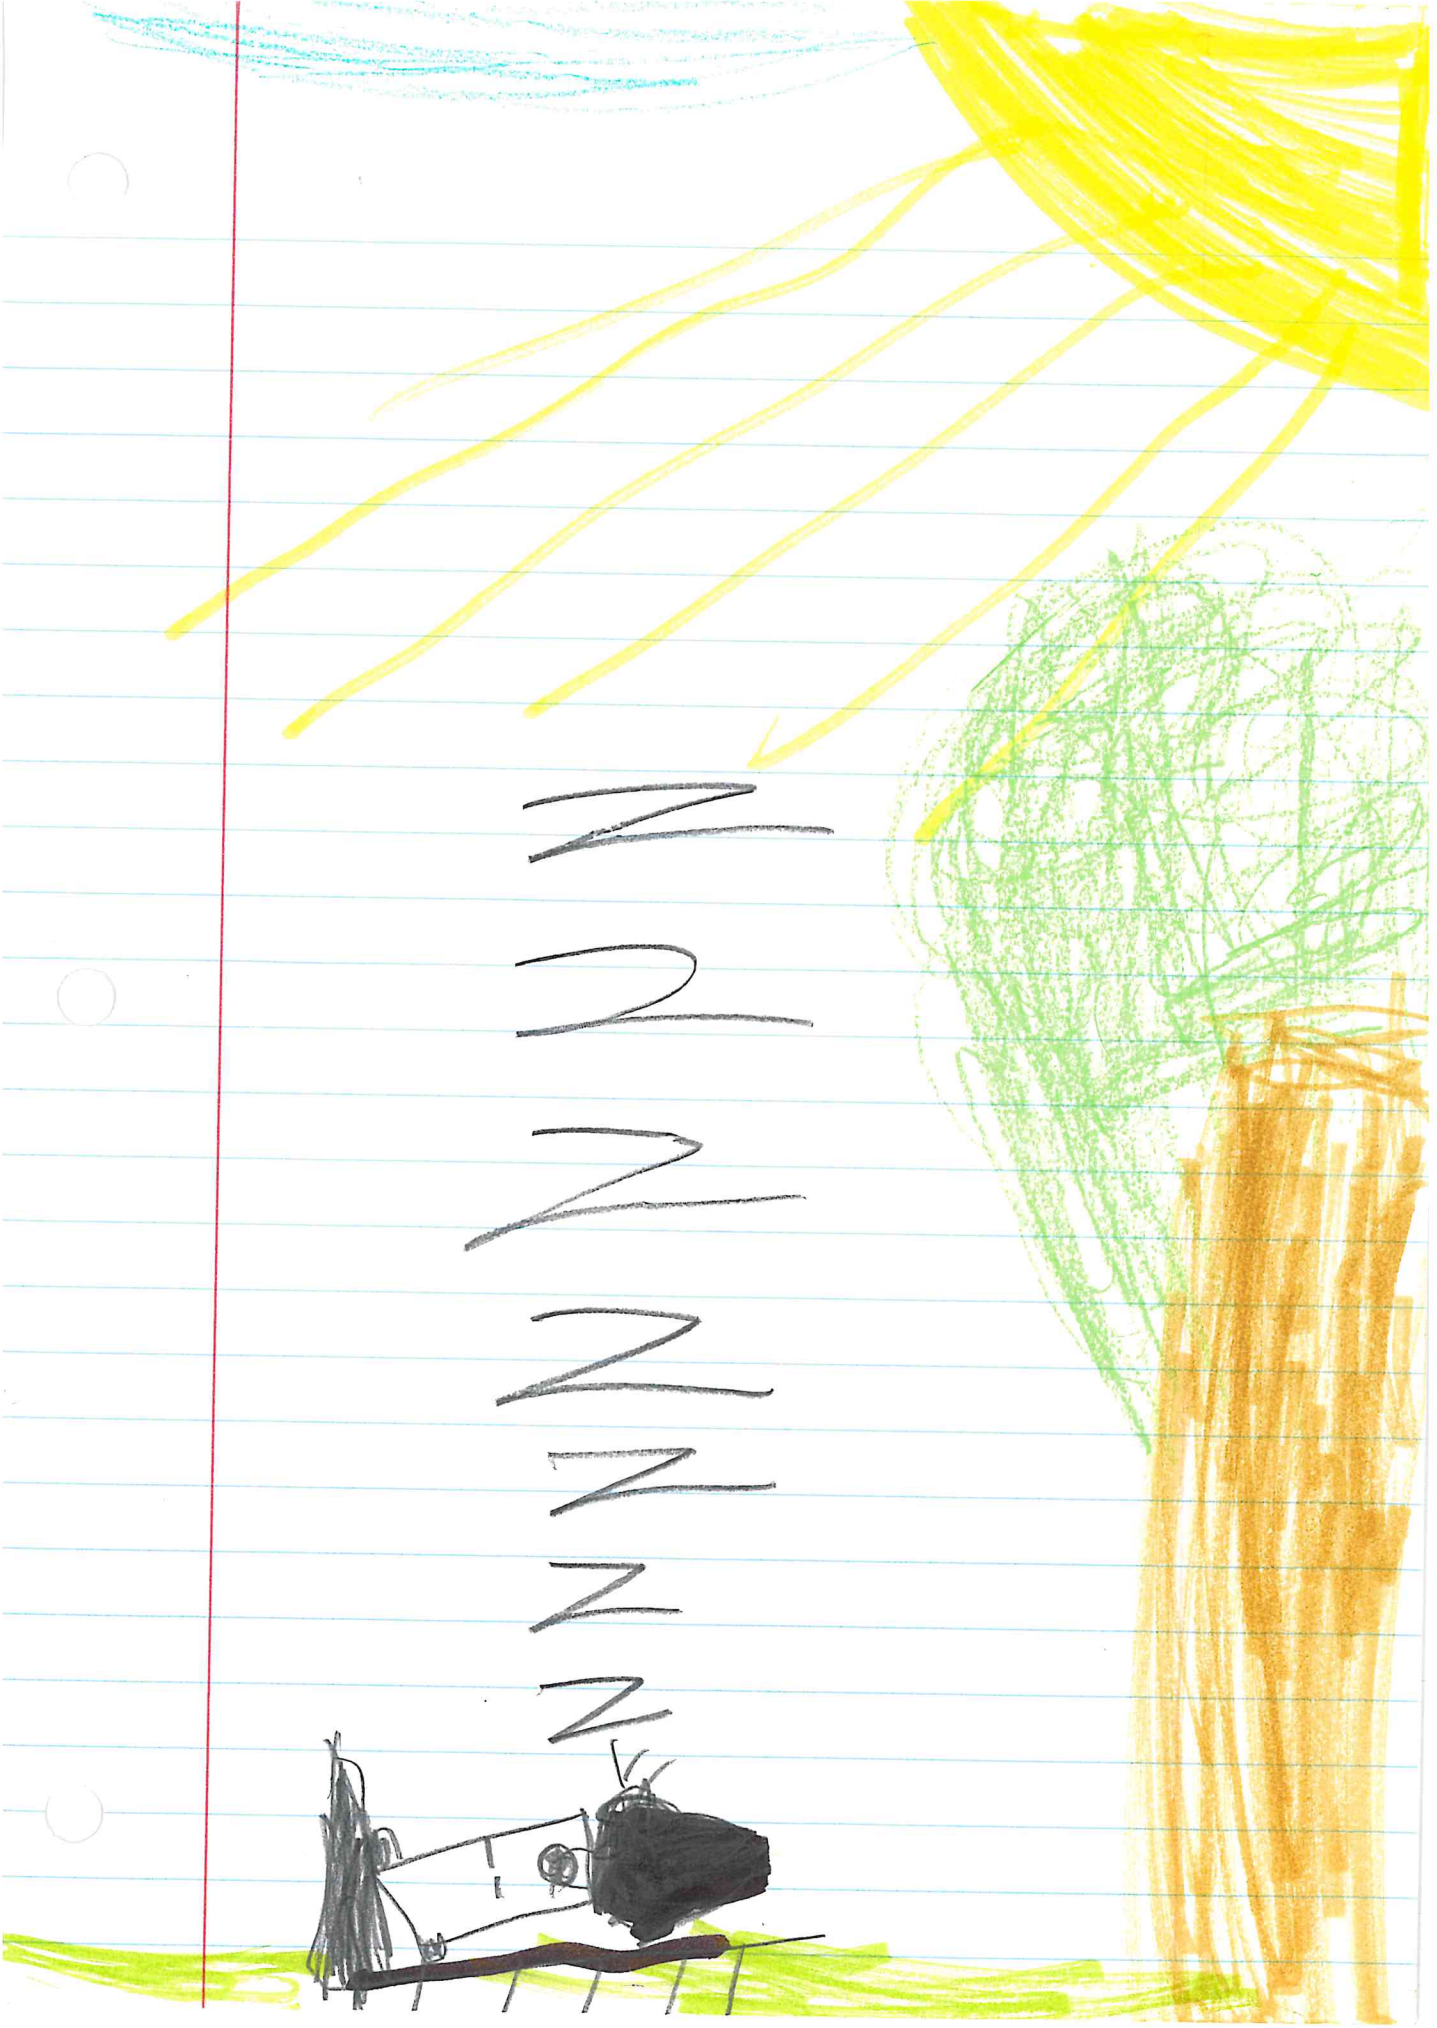

I have an idea said Sloth
I will make a bed for koala
I will get ready,

I will give him the bed.

Shore shore shore "oh
Koolha" at least now you're
comfy!
