Can I Have a Pet?

By Milena

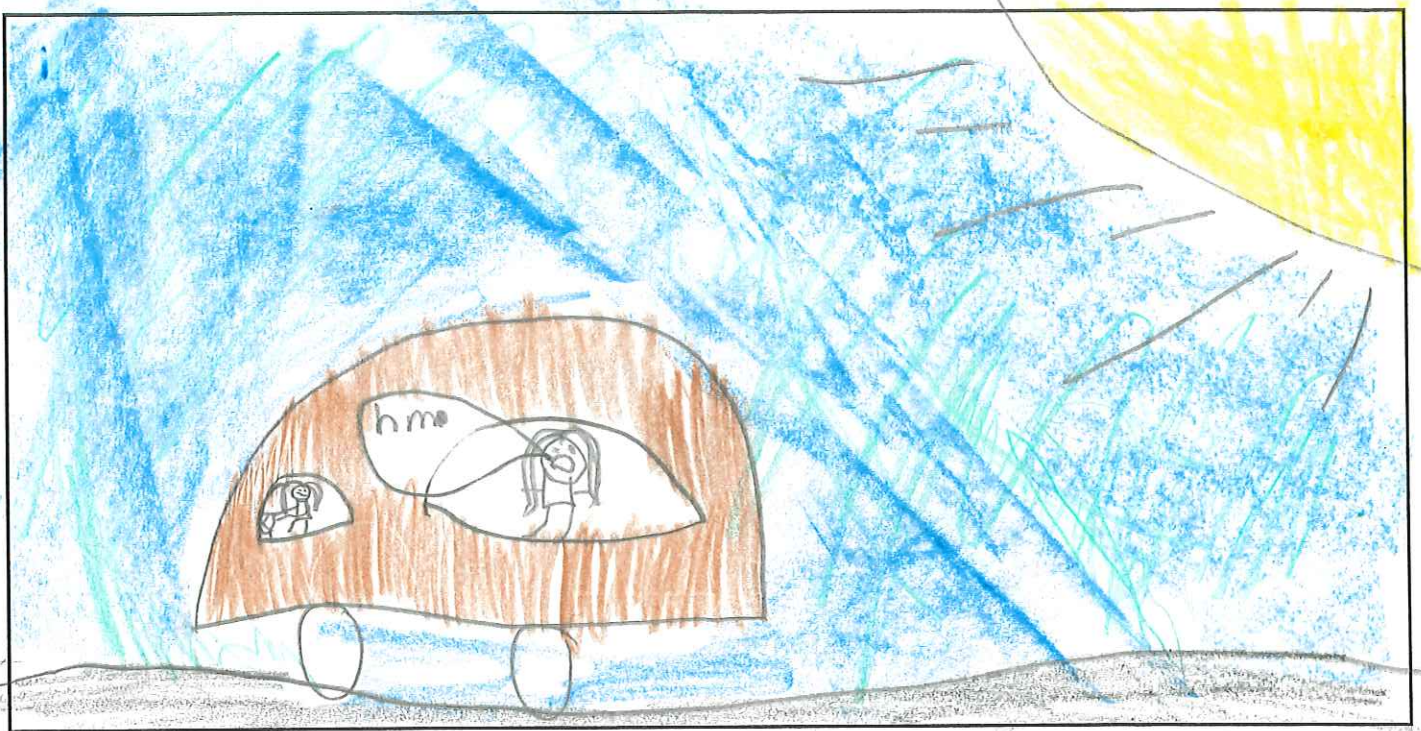

Hello my name is Milena.
I have always wanted
to have a pet. I ask every
morning at breakfast.
But mom always said
no.

One day mom said "Yes
but it must be small."
Milena went to the pet shop.
She got a unicorn, a very
small unicorn.

Milena loved her unicorn
and it seemed to grow the more
she loved it. The next day Milena
went to costco.

In the car Milena thought
of names for her unicorn.
The names Milena thought
of were Sparkles, and
Cricy.

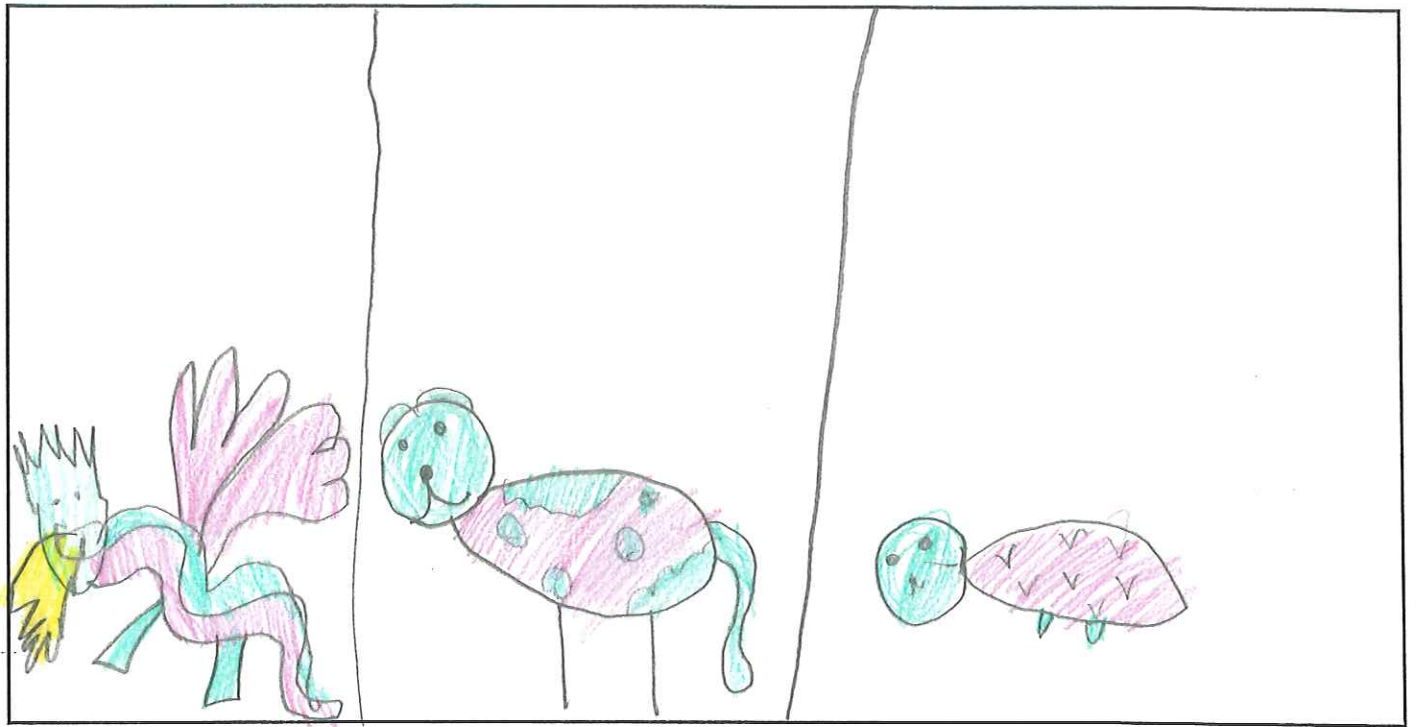

Milena liked Sparkles the best.
That was the unicorns
name, Sparkles. When they
got to Costco there was
a sign that said no pets
allowed.

Sparkles had to stay
in the car. When Milena
got back to the car
there was a bunny insted
of a unicorn!

That was when Milena found out that sparkles could shapeshift. Then they went on many adventures. They went to China as a dragon,

to the Amazon Rain Forest
as a jaguar, and to
England as a hedgehog.
Then they returned home
and had a nice hot
bowl of soup.
