Survivors
versus

predators

by sam [REDACTED]

It's game day in
savanna. The football
team Survivors is in a
huddle!

Spider Monkey the quarterback
thinks he should throw it to
Flamingo the receiver, but the
other receiver Squirrel says,
"If you pass it to me, I can run
under the Predators!"

Tortoise the football says,

"Please don't hurt me!"

Spider Monkey says, "I will

be careful." Squirrel says,

"No worries, I'm too small to hurt you."

The first play of the game. Spider Monkey pretends to throw the tortoise ball to Flamingo, but throws it the other way to Squirrel.

Wolf in the defense pretends to sell lemonade, and he asks Squirrel, "Do you want a glass of lemonade?" But Squirrel says, "No, thank you. I want to get a touchdown." And Squirrel gets a touchdown! The field goal is blocked by Wolf sadly.

SURVIVORS

One hour later...

It's the 4th quarter. They are tied!

Rhinos are on Survivors' defense

team. Lion the quarterback of the

Predators throws a huge pass, and

it looks like it's a touchdown! But

it's intercepted! But the ref says

"touch back!"

Spider Monkey throws a hail
Mary down the field, and
Squirrel catches it! It's a
touchdown! The score is 24
to 18! They have 4 seconds
left to get a field goal!

Horse the kicker fakes a kick,
and Zebra the holder throws it
into the end zone. There is
Horse running fast and
catches it for the 2 pointers!
To everyone's surprise, the
Survivors won the game!
