The Real Story: Told by the Troll

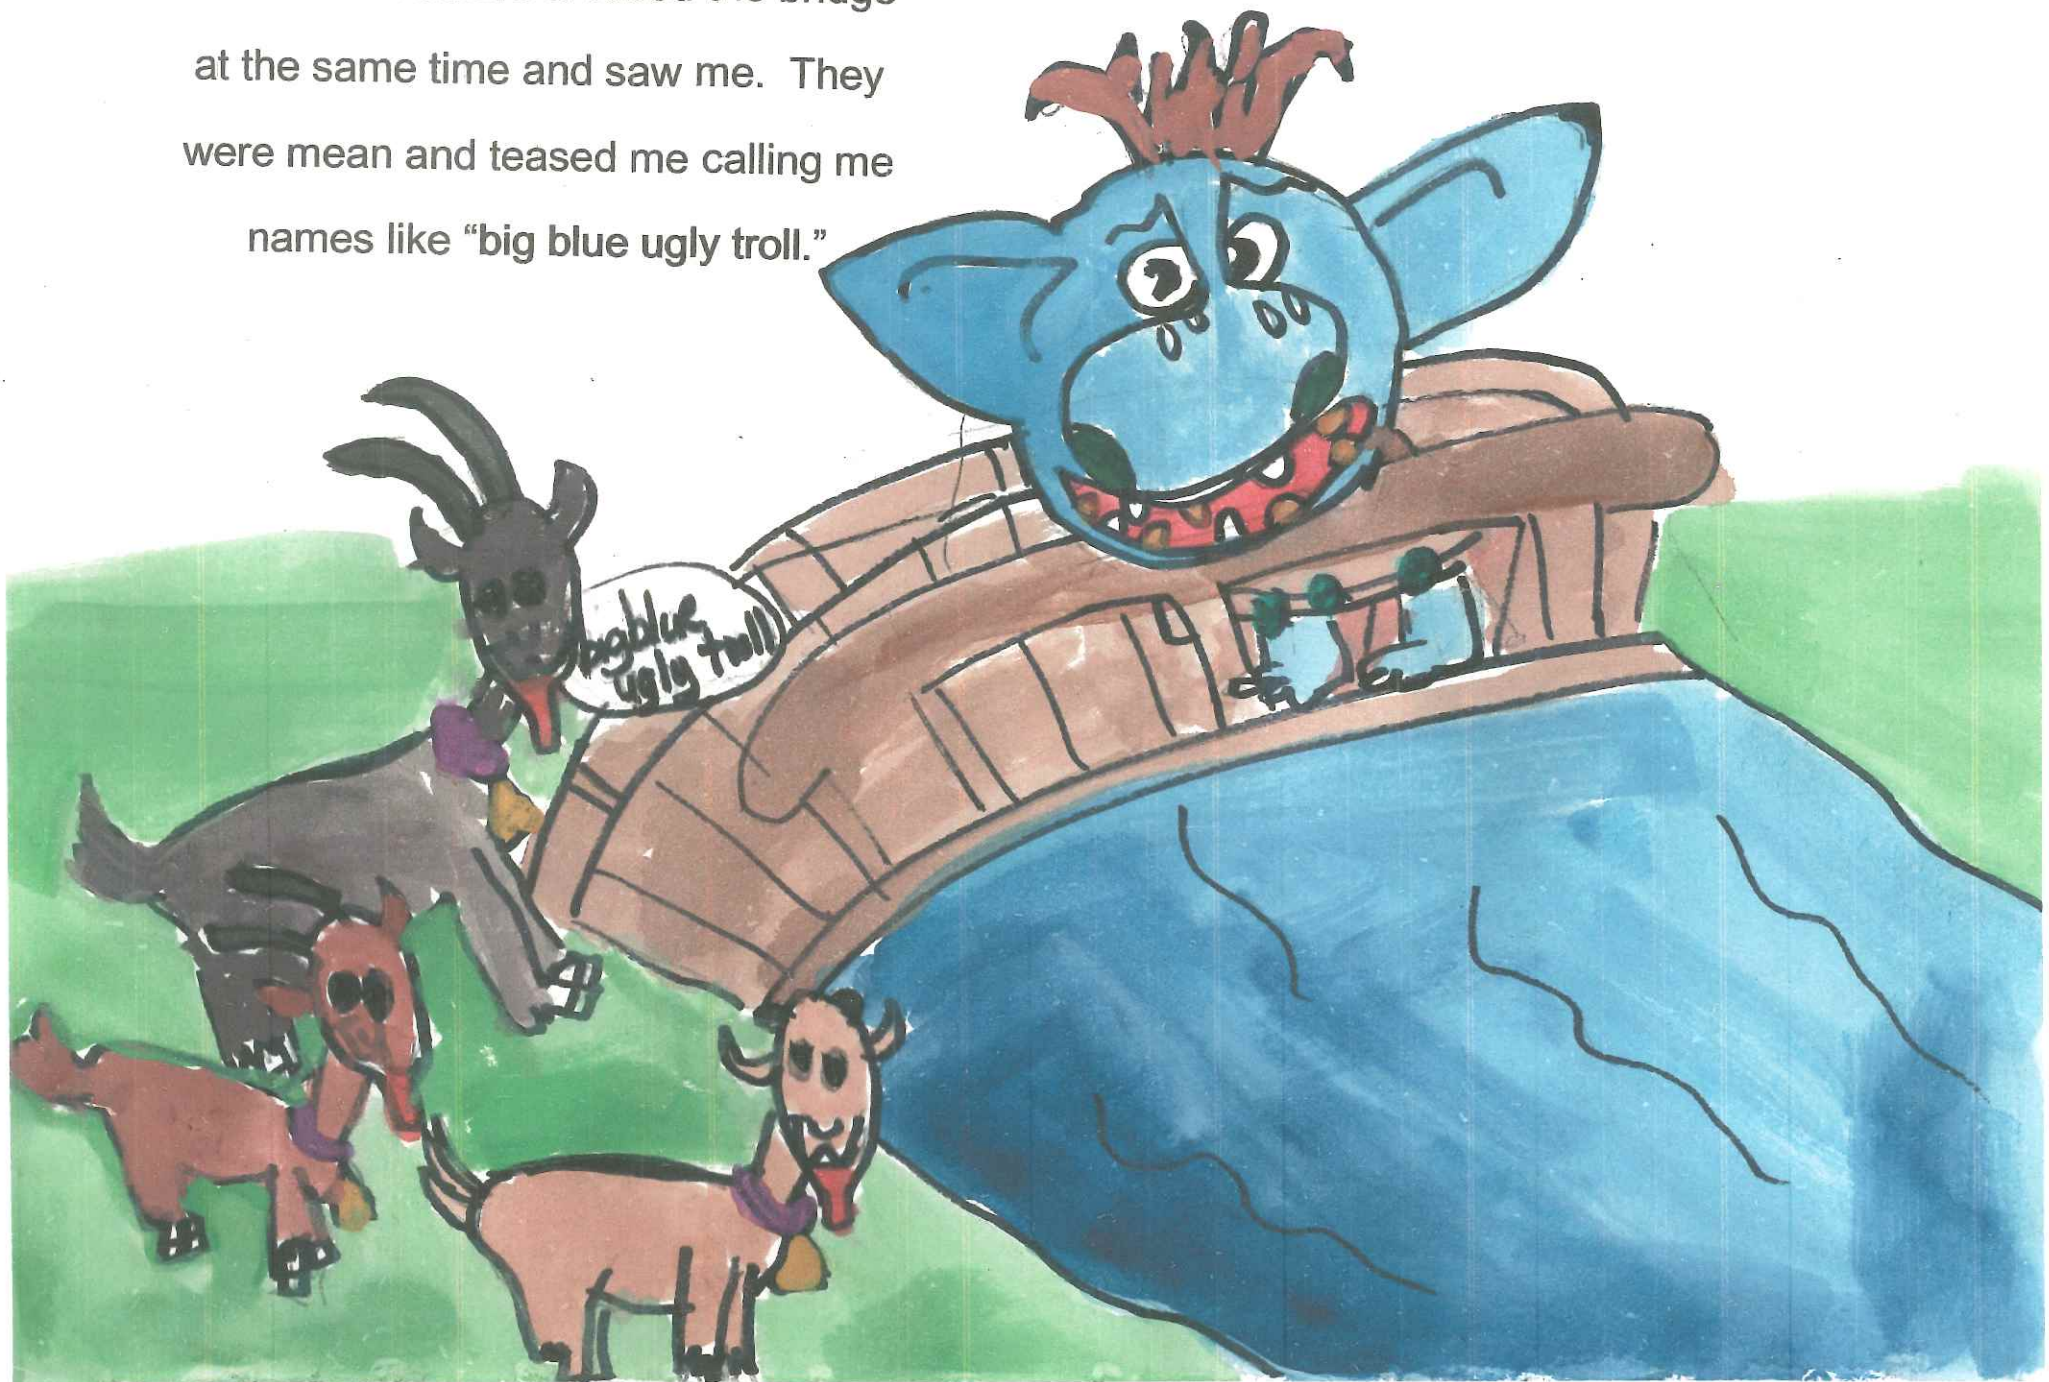

Illustrated and written by Emma [REDACTED]

Hey I am the troll. I
would like to tell
you what really
happened when I
met the three Billy
goats Gruff.

All three brothers crossed the bridge
at the same time and saw me. They
were mean and teased me calling me
names like "big blue ugly troll."

It hurt my
feelings.
Wouldn't it hurt
yours?

That's when I
said, "I am
going to
eat you for
dinner."

That is when the oldest gruff
pushed me off the bridge.

When I got out of the lake everyone was
afraid of me because the brother Gruffs told
them their side of the story.
