

STAFF PROFILE

- 1. Name:** Rocky T (you know I am from Tennessee, and I am the state animal.)
- 2. Position:** Mascot
- 3. Describe what you do at West TN PBS?** I greet guests during tours, and make special appearances at community events. I am a Reading Ranger and promote reading while I am in the community. I represent West TN PBS when I am out and want you to watch our station.
- 4. How long have you been on the West TN PBS Staff?** Racoons don't really keep track of things like that, but I know I've been here a long time! I know there are several children I had pictures taken with who are now adults. I look forward to having my picture taken with their children some day. I have great coworkers; they make sure I have all my needs.
- 5. Where is your hometown?** I was born in Cypress Grove Nature Park in Jackson, TN. The dumpster had plenty of room and food, but I am glad I am on UT Martin Campus now. I have a great room to hang out in and my own bathroom with a shower!
- 6. What is your favorite part of working at West TN PBS?** My favorite part of the job is riding in parades and getting to meet and take pictures with kids and families who watch WEST TN PBS! However, anytime I am out in the community I love my fans. I get lots of hugs and high fives!
- 7. What is your favorite program on West TN PBS Channel 11?** Wild Kratts, because I get to learn about how animals like me live all around the world! I also like our Nature programs, I enjoy seeing the great outdoors and other animals. It reminds me of my ancestors, which reminds me, have you caught our show Finding your Roots about where people learn about theirs?
