

Sample Bequest Language:

The following language may help you and/or your attorney when drawing up a bequest that meets your needs:

"I, [name], of [city, state, ZIP], give, devise and bequeath ___ (a percentage of the residue of your estate, specific dollar amount, or a specific asset such as a bank account, stock, or real estate) to the Friends of OETA, or its successor thereto, located at 7403 N. Kelley Ave, Oklahoma City, OK, 73111, for its general purposes or as the Board of Trustees may direct."

If you are interested in supporting a specific project or program, it is best to discuss your plans with our staff before completing your bequest language to confirm your wishes can be met by OETA. For unrestricted gifts, the following can be added:

"This bequest is unrestricted and may be used for the highest priority needs."

More Information:

The policies of OETA do not allow OETA or its representatives to serve as personal representative, executor, or witness for a will or trust. Before deciding about your estate plan, it is best to consult an estate planning attorney.
