Ahhh: Nice day! Its the FUZZ run! I can't go
to Jail. I'm to young! please NOOOO!

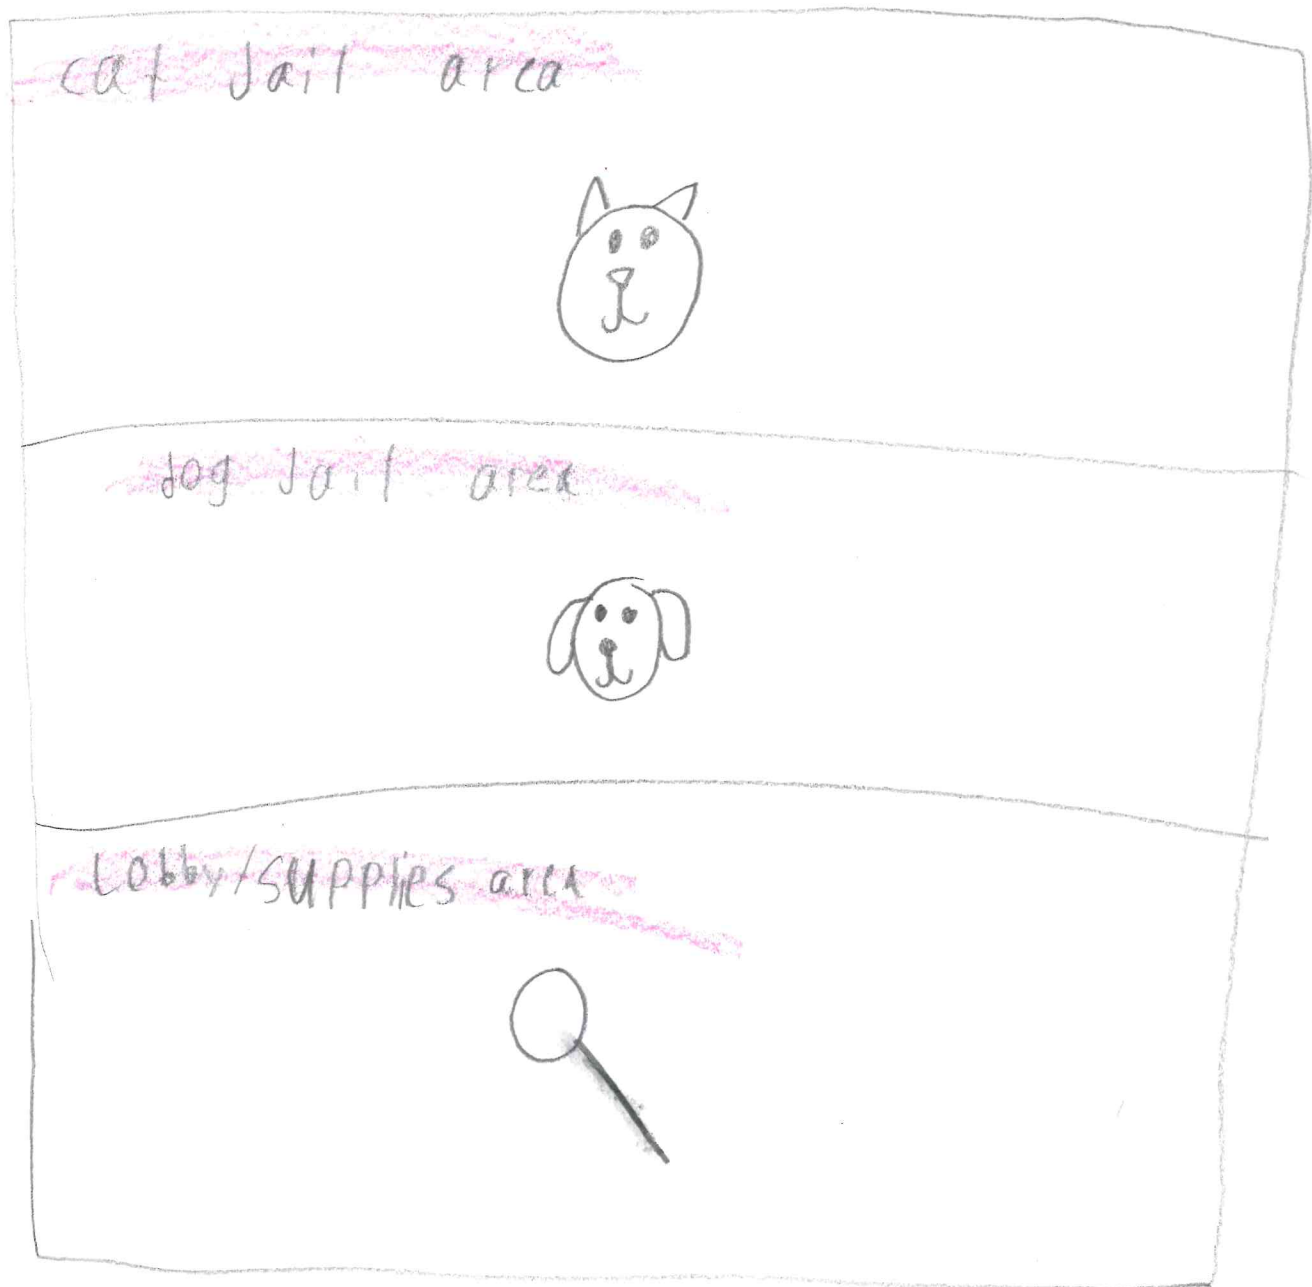

I said "please" people these days. I said the magic word come on! I mean come on!

Bad doggy
+ track!

Well I'm back in jail again. Here's a map
of doggy Alcatraz. (cat Alcatraz too.)
This is only the inside. we are surrounded by guards and
a really chatty grandma. (I guess I told a few lies)
But that chatty grandma is real. Well I like her
company

Ohh. Looks like someones trying
to take me home. puppy face! puppy face!!! Of
hes taking me home!

My new owners name is Bob. Hes really nice and cool. Hes so nice that he lets chip stay and made us snacks. You know what I think I'll stay here forever this is the first owner that really gets me and is nice. (Bob went to work) finally a nice home.

You know that chatty grandma from jail shes lives with Bob turns out shes his mom.
