

Secret birds

1 The secret birds fly into the woods
and they find a flower.

2 Secret birds cannot be seen.

3 Their job is to help flowers grow.

When a storm is coming
4 they put a secret bubble over
all of the flowers to protect them.

If a flower is scared, the
5 secret birds will hug them.

Once the storm passes, they make
6 sure the flowers get sunlight

7 Secret birds are helpers!
