# HIGHLIGHTS

## **The Real Yellowstone** *Mon. May 4 | 9pm*

Visit ranches across the American West, where multigenerational families struggle to hold onto the land as predators return, real estate pressures rise, and a powerful conservation movement reshapes the landscape. With livelihoods on the line, ranchers, hunters, and rewilding advocates collide over wildlife, access, and the future of rural America.

## **Farm to Fork Wyoming** *Thu. May 7, 14 & 28 | 8pm & 8:30pm*

For seven years, *Farm to Fork Wyoming* has offered a vibrant, provocative look at the state's spirit of self-reliance. Through this series, viewers are taken on a guided journey into the unique communities and creative innovations that define Wyoming's modern agricultural landscape.

## **A State of Mind: The Caregivers** *Mon. May 18 | 8:30pm*

Taking care of a loved one with dementia is a huge responsibility that can lead to depression, anxiety, and suicidal ideation. With the caregiver population growing, how can we be sure their mental health is not overlooked?

## **Gravel & Grit: Bridging the Great Divide** *Thu. May 21 | 7pm & Fri. May 29 | 10pm*

Produced by the award-winning team at Wyoming PBS, this is the story of a team of cyclists from Central Wyoming College that traverses along the Continental Divide spine. The riders explore their courage and test the capacity of their physical abilities, ultimately achieving goals they never thought possible.

## **National Memorial Day Concert** *Sun. May 24 | 7pm & 8:30pm*

Live from the U.S. Capitol, Americans gather to honor our men and women in uniform and our military families with a special Semiquincentennial segment honoring all those who have given their lives in service to our nation since its founding 250 years ago. Hosted by Tony Award-winner Joe Mantegna and Emmy Award-winner Gary Sinise, this concert features personal stories and musical performances by world-renowned artists and the National Symphony Orchestra.

## **Dear Sirs** *Tue. May 25 | 8:30pm*

Mark Pedri had never heard his grandfather's story despite spending nearly every day together for 10 years. It wasn't until after Silvio's death that Mark found an archive of old photos, letters, and documents detailing Silvio's journey as a Prisoner of War (POW) in World War II. The discovery inspired Mark to bike over 500 miles across Europe, following the original POW transportation routes, to tell his grandfather's story and understand the man who helped raise him.
