Family Traditions

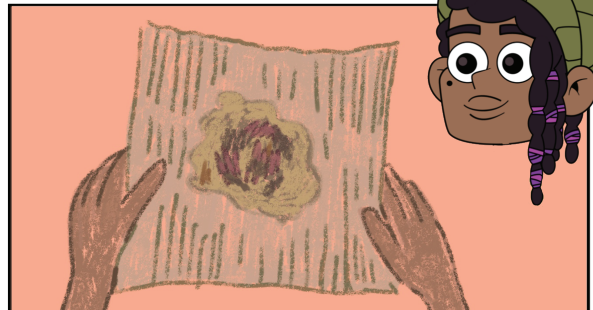

DIRECTIONS:

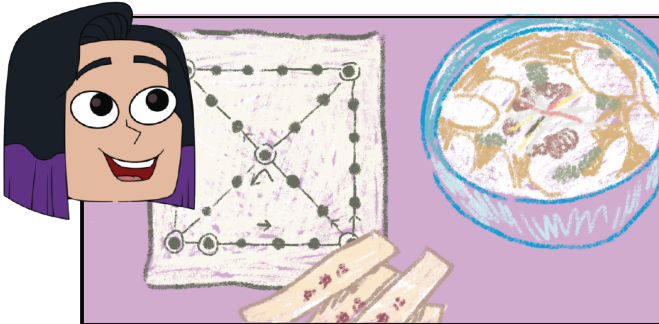

Tyler, Nevaeh, Jady, and Grace have drawn their families' winter traditions. What winter traditions does your family have? Draw them below. **COMPARE** and **CONTRAST** their traditions to yours.

During Kwanzaa, my family lights special candles on the kinara each day to uplift our cultural values!

My family celebrates Nochebuena! I love it when all of my cousins come over to help make tamales.

My family plays Yut Nori, a Korean game, and eats tteokguk, a rice cake soup for New Years Day!

My neighbors invite my family to celebrate Chanukah every year. We play Dreidel and win chocolate gelt!
