

Our Region's Largest Classroom!

More information at ninepbs.org/learningtoolkit

Educator and Caregiver Toolkit

PBS KIDS is the number one educational media brand providing resources for educators and caregivers to help kids learn and thrive.

The Educator and Caregiver Toolkit streamlines those resources and includes a schedule of trusted PBS KIDS shows, along with learning goals and related activities and resources.

This toolkit was created with guidance from education leaders across the region and includes broadcast, online, and mobile resources.

Nine PBS broadcasts PBS KIDS shows on two channels, Nine PBS and Nine PBS KIDS—the only free, over-the-air 24/7 television service for children in our region. The broadcast and online streaming service ensures high-quality, educationally based programming is available to every child, anytime and anywhere.

At-Home Learning with Nine PBS

With at-home learning, caregivers can easily access a wide range of educational resources provided by Nine PBS.

Playful Learning

In playful learning, children joyfully discover new concepts and skills through creative activities, turning education into a delightful adventure.

Supported by

Teaching in Room 9

Get ready for school with Nine PBS! *Teaching in Room 9*, the award-winning kids' program, has shifted gears to meet school readiness needs. The highly anticipated new season features some of our region's best teachers, with lessons aligned to Missouri and Illinois learning standards. With a brand new in-studio set, a beloved host, and field trips beyond the classroom, *Teaching in Room 9* continues to transform the early childhood educational landscape so that all children can flourish.

Watch the New Season!

Monday–Friday, 9:30–10 am

National Resources

PBS Learning Media

This free website offers direct access to thousands of classroom-ready, curriculum-targeted digital resources for educators and caregivers. Resources include videos, interactives, documents, audio, and in-depth lesson plans. Educators can browse by standards, grade level, subject area, and special collection.

ninepbs.pbslearningmedia.org

PBS KIDS Apps

Watch and play with free apps from PBS KIDS! They offer on-demand educational videos and games. The Video App also livestreams the PBS KIDS 24/7 channel. No subscription required. PBSKIDS.org/apps

PBSKIDS.org

PBSKIDS.org is a directory for TV and web-only PBS KIDS shows designed for older preschool- and elementary school-age kids. From the site, kids can navigate directly to a show's individual site, where they'll find games, videos, and other related content.

PBS Parents

Explore pbs.org/parents, a website of trusted sources for information on child development, early learning, and expert tips on raising children.

Bright by Text

Nine PBS partners with Bright by Text, a nationwide text messaging service that helps parents and caregivers of children prenatal to age 18 make the most of everyday interactions. Through free tips, information, games, and resources in English and Spanish, Bright by Text builds nurturing relationships, strengthens families, promotes healthy child development, and improves school readiness. **Local St. Louis Region content is curated by Nine PBS' Parent Engagement Team.**

DRAWN IN

WATCH. READ. PLAY. LEARN.

Drawn In is a multimedia literacy initiative from Nine PBS and Lion Forge Entertainment. It is designed to encourage emerging readers with an emphasis on ages 5-8. Stories are shared via comic books and animated shorts. Learning is reinforced through an interactive website with games, as well as resources for grown-ups to support literacy skill-building at home and in the classroom.

Meet Our Team

Hi, Educators!

I am Dr. Arionna Ralleigh, Curriculum Design Manager at Nine PBS, an educator with over 15 years of experience. My passion for classroom equality is seen in everything that I do.

Please feel free to email me at aralleigh@ninepbs.org

Hi, Families!

I am Fatama Moorer, Parent Engagement Manager at Nine PBS. I have nine years of experience in parent engagement and building relationships in child development. I work to engage parents and partners with Nine PBS's early education initiatives.

Please feel free to email me at fmoorer@ninepbs.org

Hi, Community Organizations!

I am Gina Watkins, Early Learning Community Manager at Nine PBS. I work closely with organizations to connect them to educational resources and activities to support their work with early learners. I bring 15 years of experience as a professional school counselor as well as 10 years of experience directing programs that provide academic support and enrichment for underserved youth.

Please feel free to email me at g Watkins@ninepbs.org

Hi, Community Members!

I am Kristina Vidovic, Early Learning Initiative Manager at Nine PBS. I have nine years of experience in the social work field, seven years of experience in community arts and community organizing, and four years of experience in social science research. I work with our internal teammates and external community members in order to co-create and share early learning resources with our broader communities, like *Drawn In!*

Please feel free to email me at kvidovic@ninepbs.org
