Written and Illustrated
By Henry T.

A class of cats takes the

bus to cat school.

My Papa is their teacher.

They eat dry food for Breakfast

then they sit in Litter
Boxes for class time.

The first cat class station
is staying off the table. Papa
climbs on the table. "How do you like
this?"
"We don't like it! The cats meow."

The next station is letting people
sleep in. The cats get in their sleeping
bags and snooze. Papa wakes them up!
The cats don't like it.

It's time to go home off
the BUS. Papa puts on the

come back to school tomorrow!"
