Kindergarten

Be

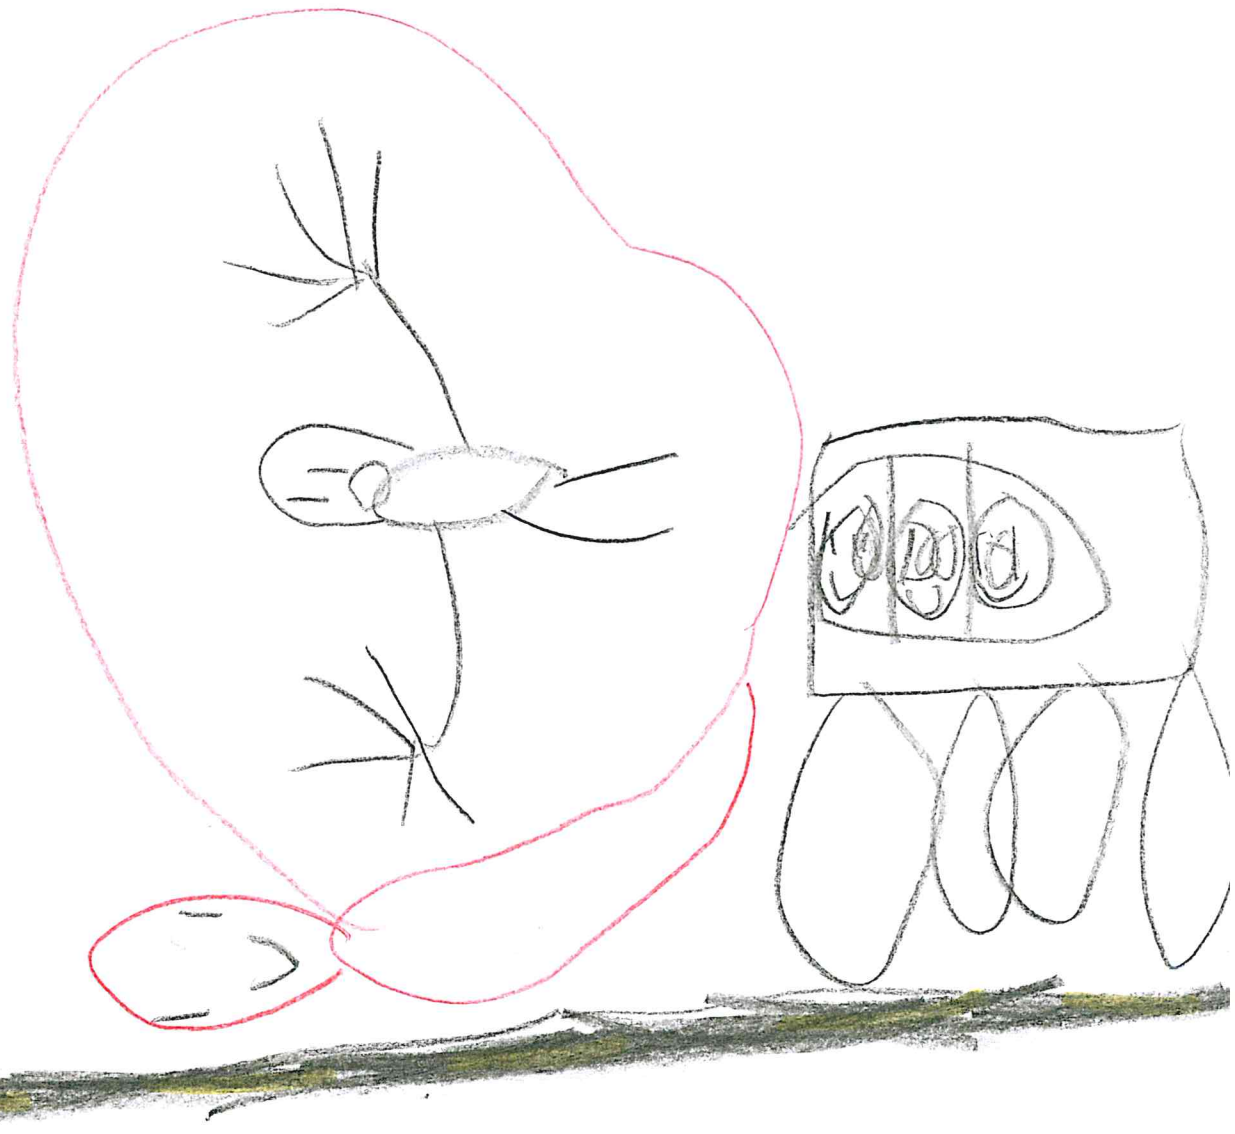

Brooklyn - GROBE

One day I was very excited!

Do you know WHY I was excited??

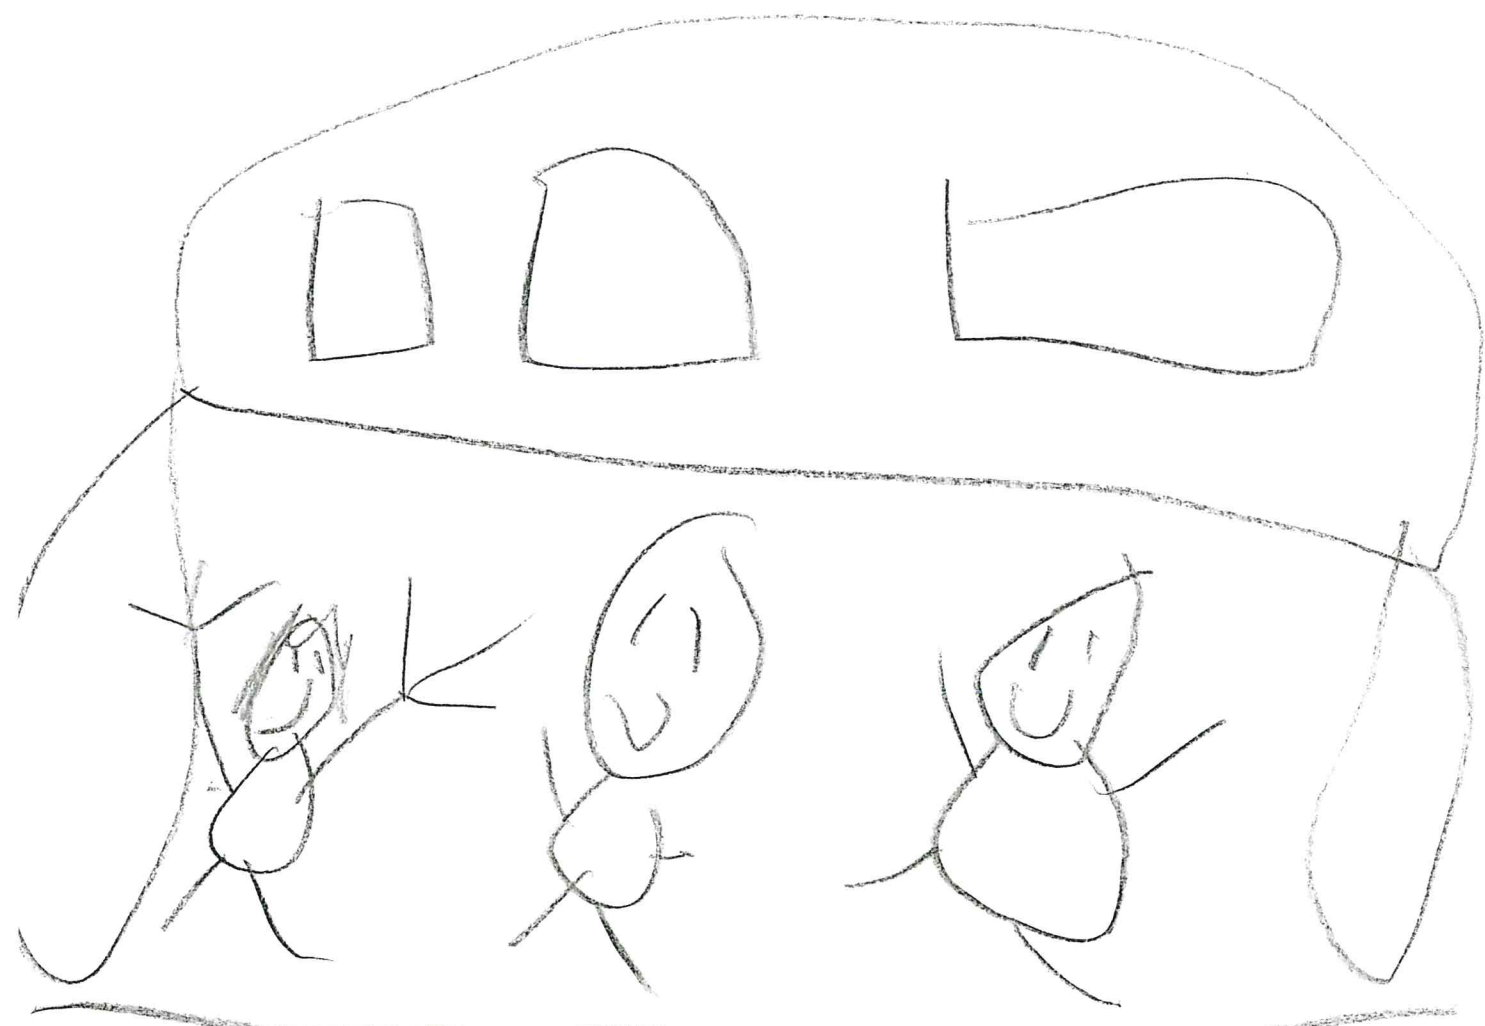

It was the first day of kindergarten. I bet it will be very fun. My Mom and Dad drove me and my brother. He had to ride on top of the car because he wanted to.

Blake, my brother, fell off the car. He started to fly.

A bird came and picked him up.

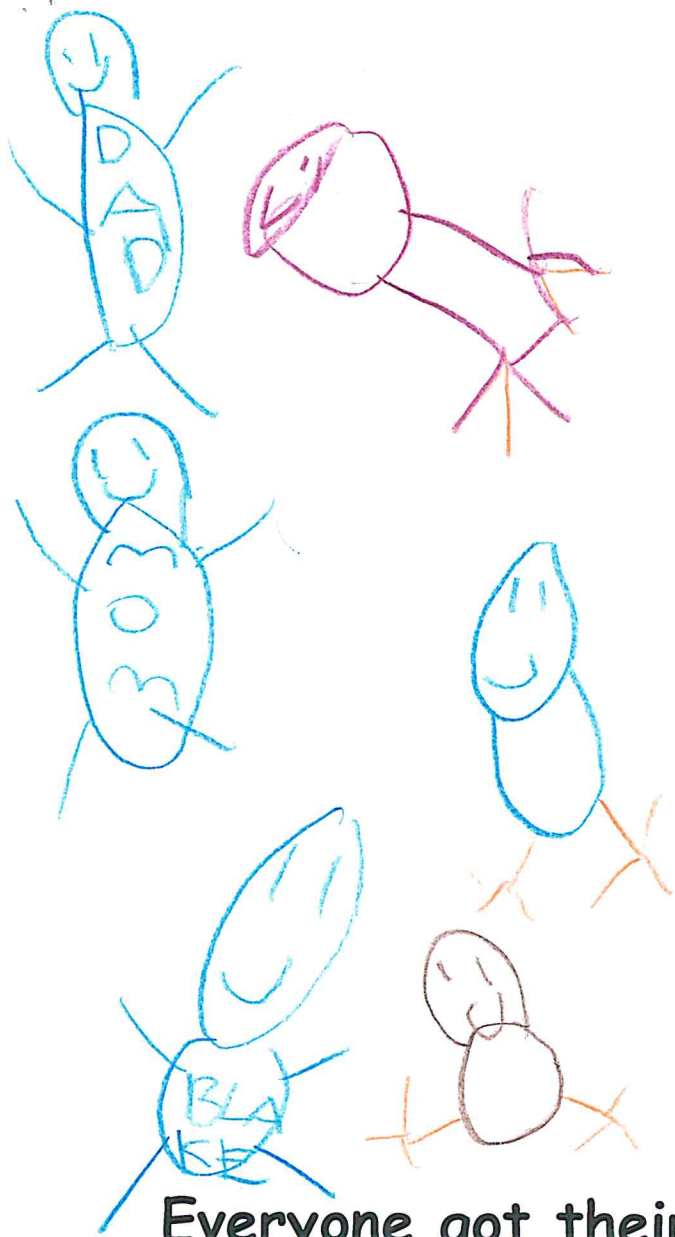

Then all of us decided to fall off the car.

Other birds came to get us. They were different.

Everyone got their own type of bird.

Blake, got a Bluejay. Mom got a Cardinal.

I got a Raven. Dad got a Sandpiper.

Oops I missed a whole day of kindergarten.
