2nd
grade

once upon a time there was a
dinosaur named clara. clara loved

her purple crayon. every thing

she drew she used her
purple crayon! she took

her crayon everywhere

with her. clara loved

her crayon ~~everywhere~~

until it started

following her...

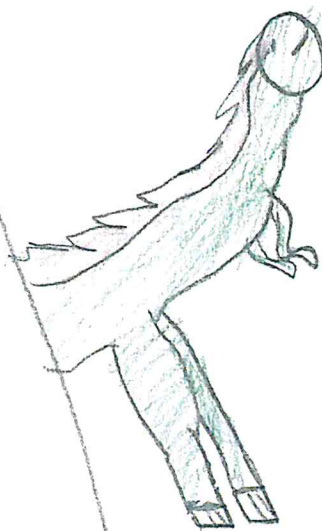

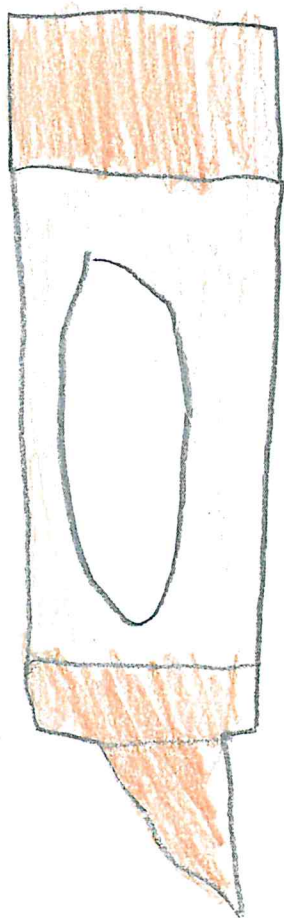

when Clara looked at her tree
in the front yard, it was completely
purple! and when she looked at
her D. Teddy bear before bed it was
also completely purple! Clara was starting
to think: something really weird must be
going on!

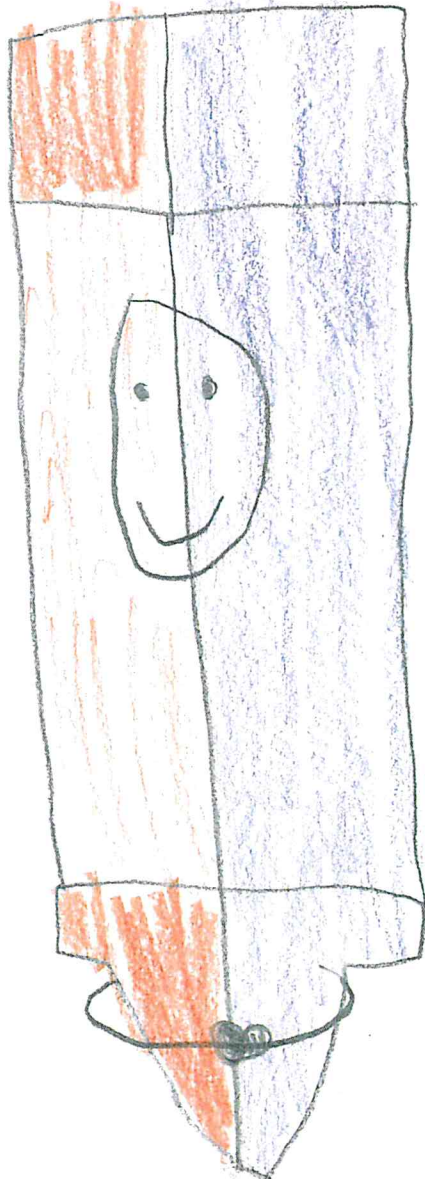

The next day Clara's parents surprised her with a new gift, a orange crayon! and

when she walked around the

house it didn't follow her!
But it followed the purple crayon

he next morning Clara woke
up and found her orange and
purple crayon, and she loved
it very much.
