

# Learning Express

Thank you for partnering with Prairie Public to bring Early Childhood Learning Resources to your educational setting! We ask that you keep the following in mind for your reservation:

Please ensure the trailer is secure at all times.

Most materials are designed for children 3 and up due to choking hazards.

Take care of the materials as you would your own.

Let us know if any materials are broken or missing.

Supervise children during use to ensure that materials are being treated properly.

Each tote has a materials list. Please do your best to repack the tote, but use the overflow tote if needed rather than risk breaking materials.

We are excited that the children of the Prairie Public region are able to take advantage of our learning materials due to partners like you. We appreciate being able to bring these materials to your community.
