

The Best

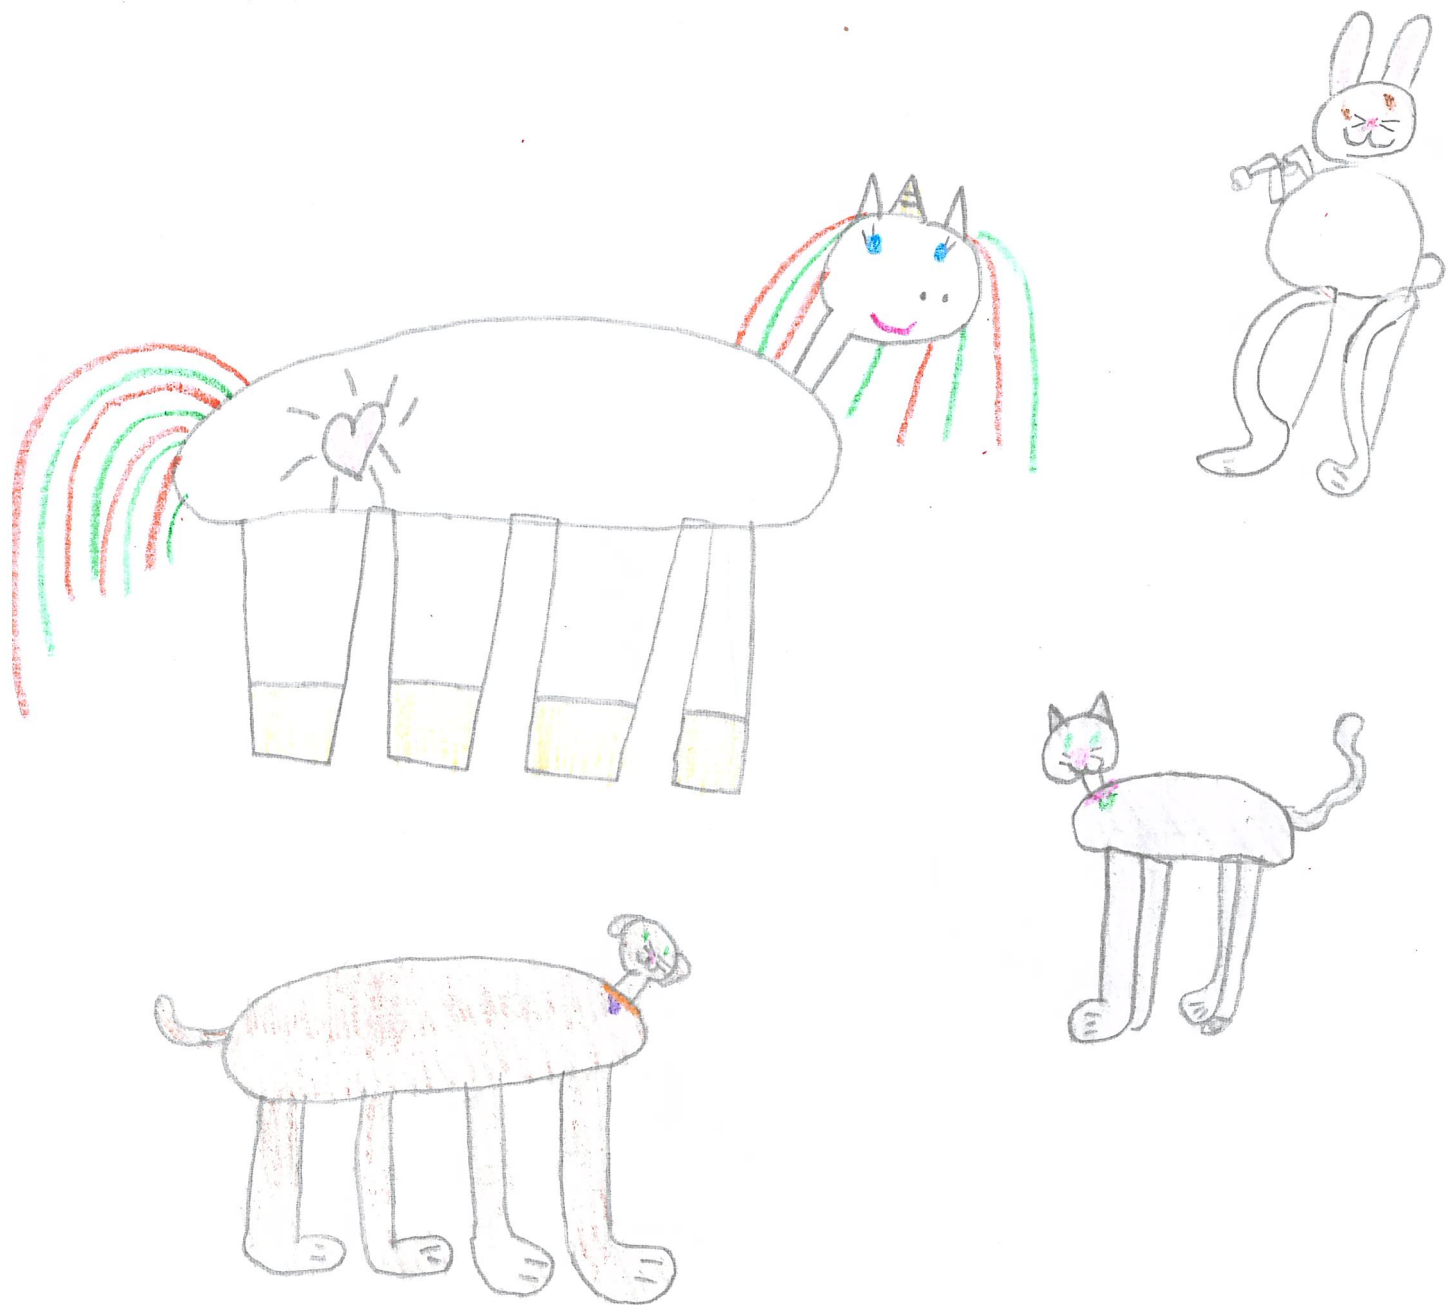

Day

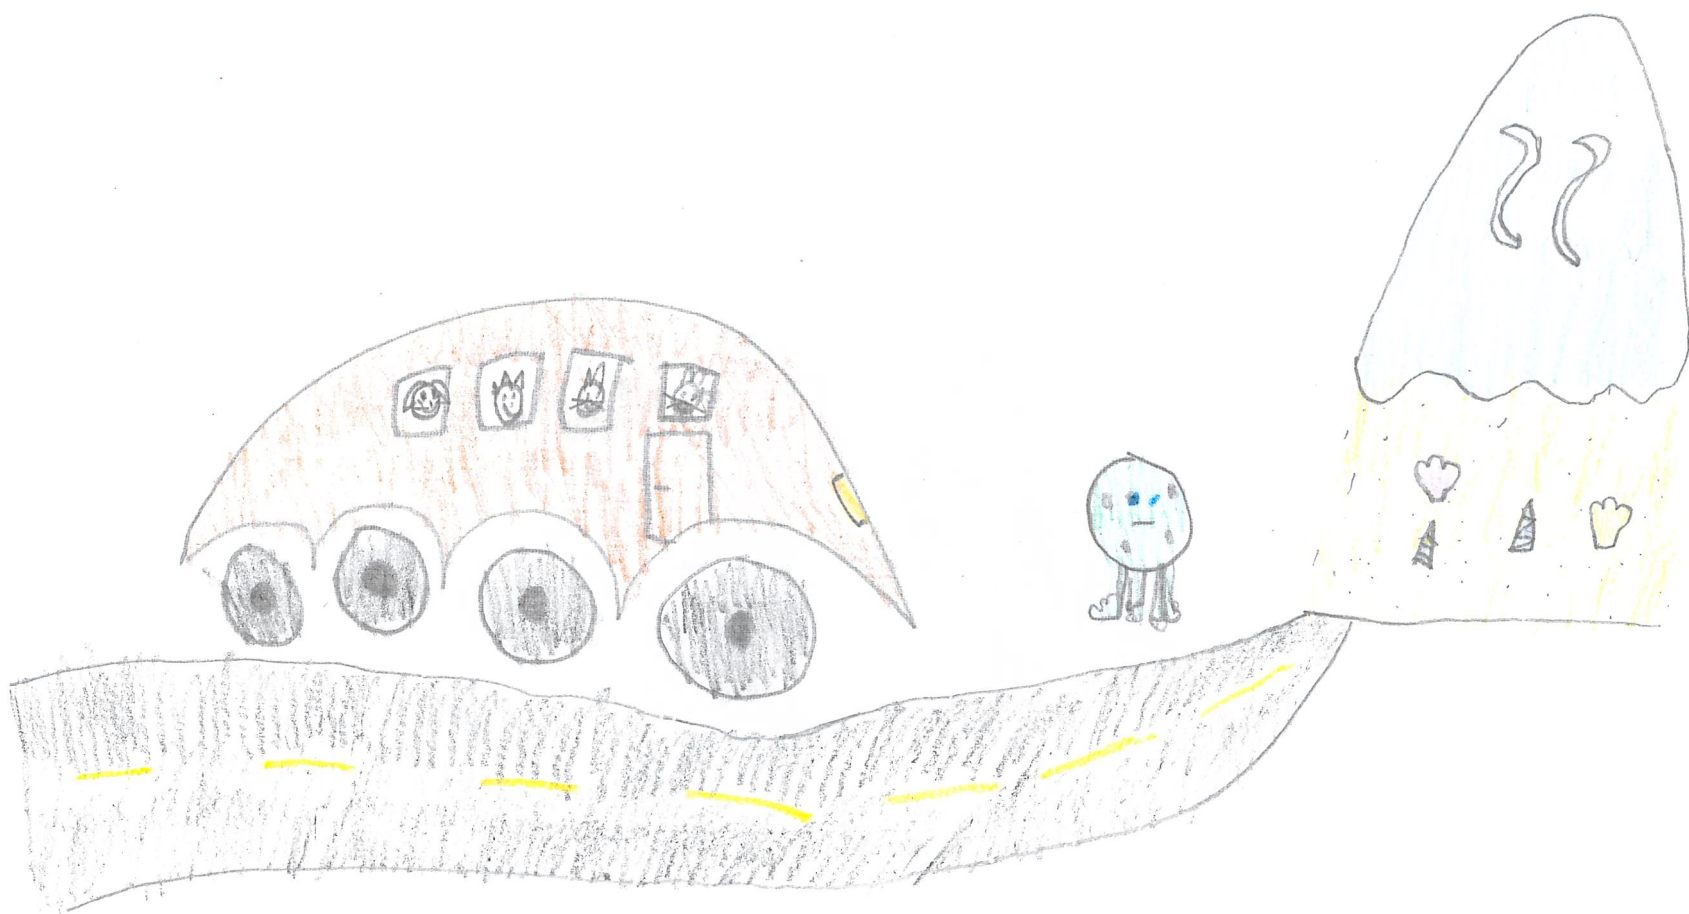

Written and Illustrated by

Fiona

The unicorn is friends
with a cat, a bunny,
and a dog.

The friends wanted
to drive to the beach,
but a frog was
blocking the road.

They got out of the
car and jumped on the unicorn's
back. The unicorn flew the

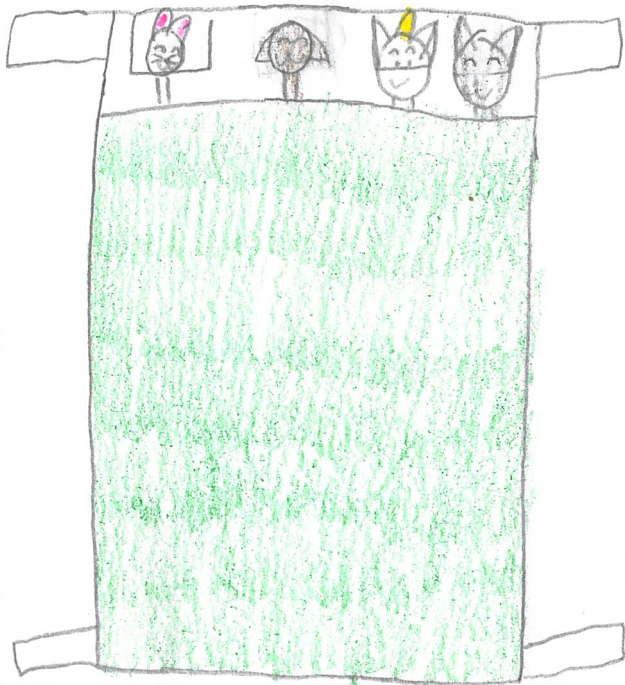

friends over the frog and to
the beach.

The friends built a sand
castle and ate ice cream
at the beach.

They had The Best Day and fell
asleep early that night.
