

The

MAGIC PUDDLE

Written By: Hazeel

Ellie and her brother Bob walked outside. Bob said, "Why is there a submarine here?" "I don't know!" said Ellie. "It must be magic!" said Bob. "But it's a puddle" said Ellie. Then the submarine disappeared.

The next day, they looked in the puddle. "Now there are fish!" said Ellie. "Let's take some water home to study it," said Bob. Ellie said, "Look, there is a bowl, we can put water in there."

They put water in the bowl and went home. Bob noticed, "There is a tag on the bowl." it said -

THIS WATER GRANTS
WISHES

Ellie and Bob both said "I wish for a million dollars!" Money fell from the ceiling!

Ellie said, "Now the tag says DRINK ME."
She started to drink and Bob said,
"Wait!" but it was too late. Ellie drank
the water and disappeared.

"Uh oh!" said Bob. The next morning
Bob went outside looking for Ellie.

The puddle was back! He peered in,
Ellie was riding a shark and having fun.
Bob ran home and saw the tag on
the bowl. Now it said:

DRINK ME IF YOU DARE!!

It was Ellie's handwriting. Bob drank
the water and disappeared.
