

Cowboy Micaiah

By Micaiah D.

Once there was a cowboy named Micajah.
He was the coolest cowboy in the Wild West.
Everyone liked him.

But one day he was face to face with a very
thorny cactus. The cactus was huge and mean,
and it was in Cowboy Micaiah's way.
He got his whip out and tried to capture it.

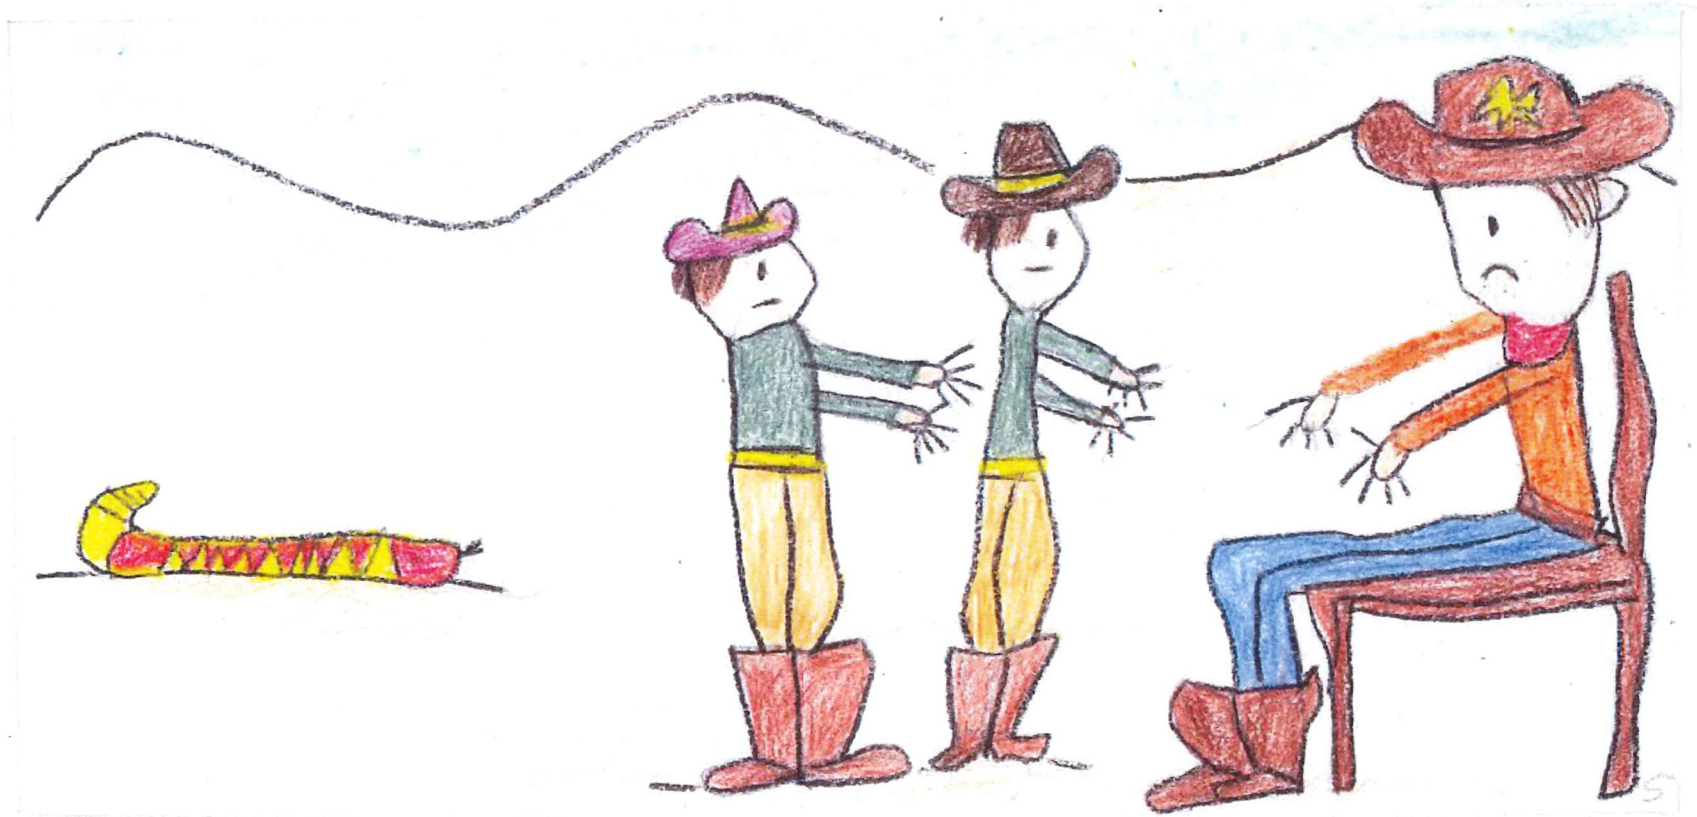

Everyone cheered. But when he tried to get the cactus out of the way, Ouch!!!!

Cowboy Micaiah had his arms and hands covered in thorns. Now he couldn't be part of the whipping competition of the Old West.

After a few days, and with the help of his friends,
he started feeling better.
His friends took all the thorns off his hands.

In the end, Cowboy Micaiah, the coolest cowboy in the land, ~~had~~ learned he should respect nature and NEVER touch a cactus!!!
