

I Want  
Cheese

by: Barrett L.

Hi my name is Cheesy,  
I am a hamburger.

My family is  
cheese burgers.  
I want cheese too.

First, I go to the moon. There was no cheese.

Next I go to Vons,  
but they were sold out  
of cheese.

Then I go to In-N-Out  
Burger and I find  
cheese.

Hooray! Now I'm a  
cheese burger too.

The End.
