There once was a girl named Elizabeth.
She had hot coco and fell in love with
one of her marshmallows.

She's been nervous for the first day of school. So she wished she could bring her marshmallow to school. But she knew it would not happen. She did not believe in magic.

The next day it was the first day of school and Elizabeth saw the marshmallow on her back pack! It was the marshmallow from last night!

The next day she forgot to bring the marshmallow
and later in the day she realised she
did not need her marshmallow.

She achly had it bravenes all along!
She just could not find it. The marshmallow
helped her relizz that bravenes waited
her all along. inside
