

The Gold
fish
that went nuts!!!

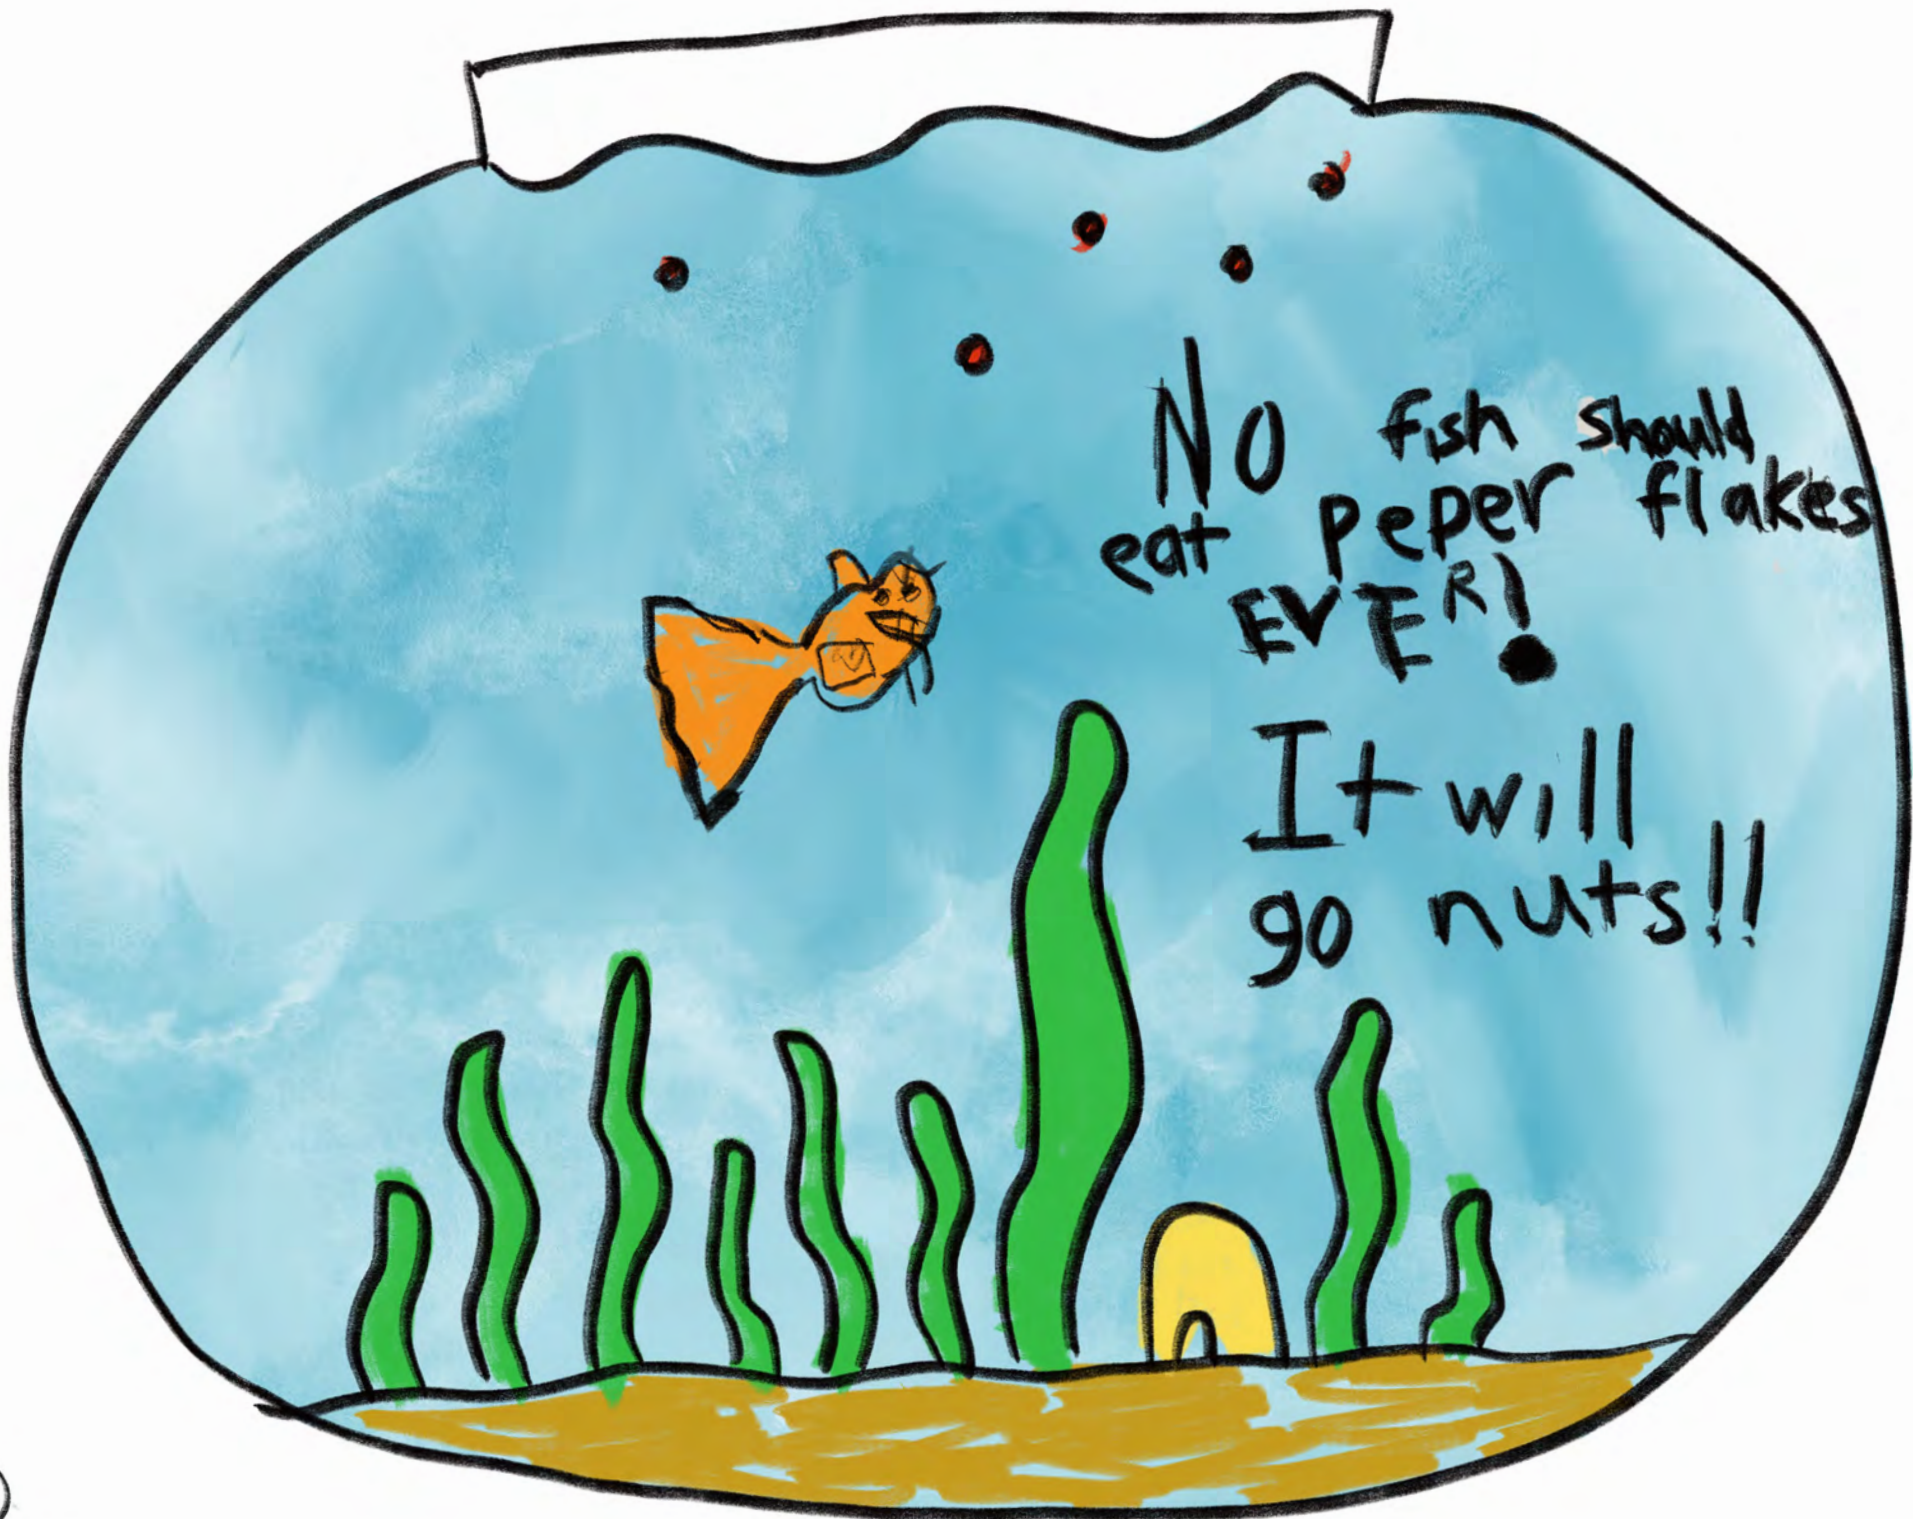

by Lincoln

Once a pond? A time
a fish named BOB
was not so nuts yet.

BOBs Owner accidentaly fed Bob pepper flakes and
fed himself fish food!

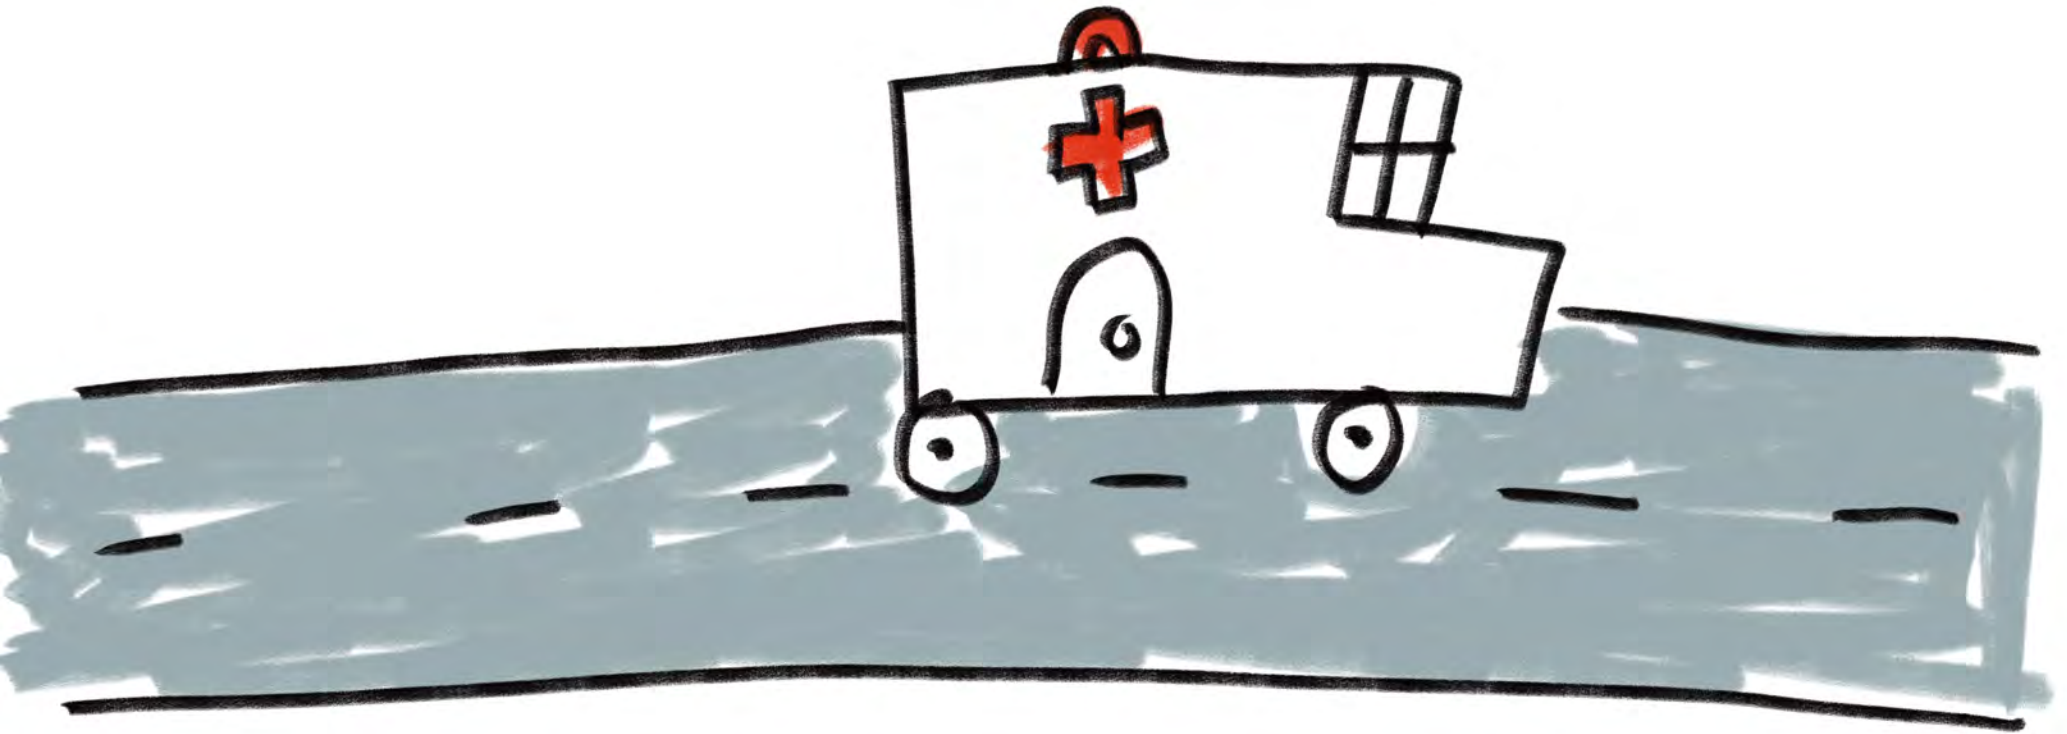

NO fish should
eat peper flakes
EVER!

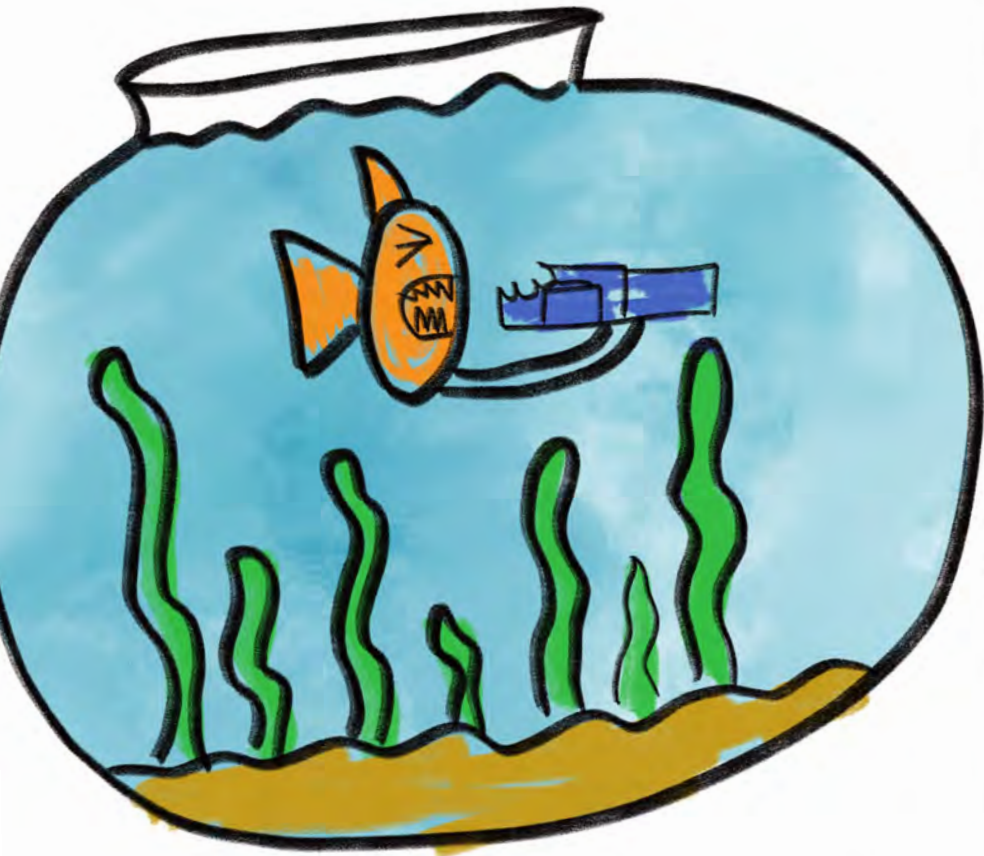

It will
go nuts!!

The next day he tried to eat his owner!!

His owner had to go
to the hospital.

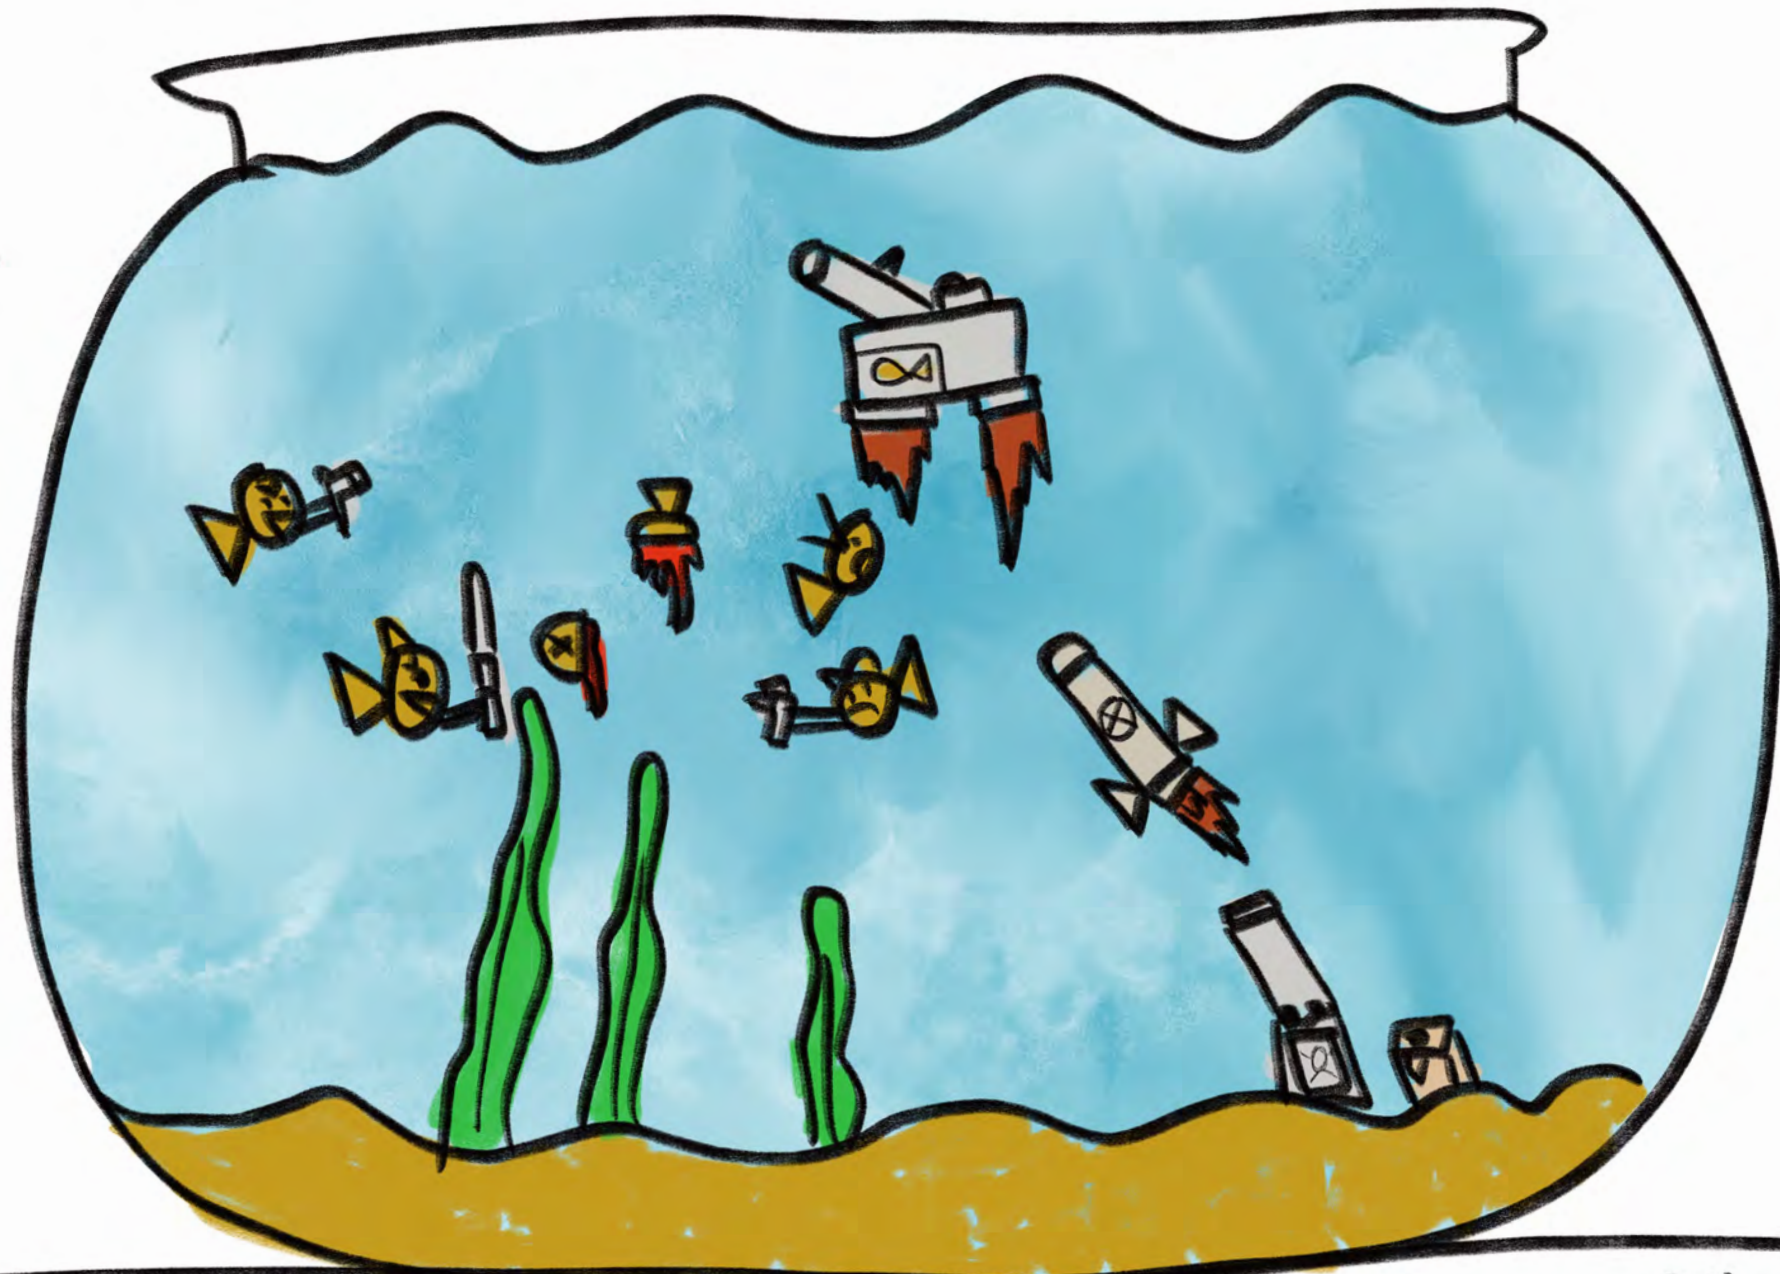

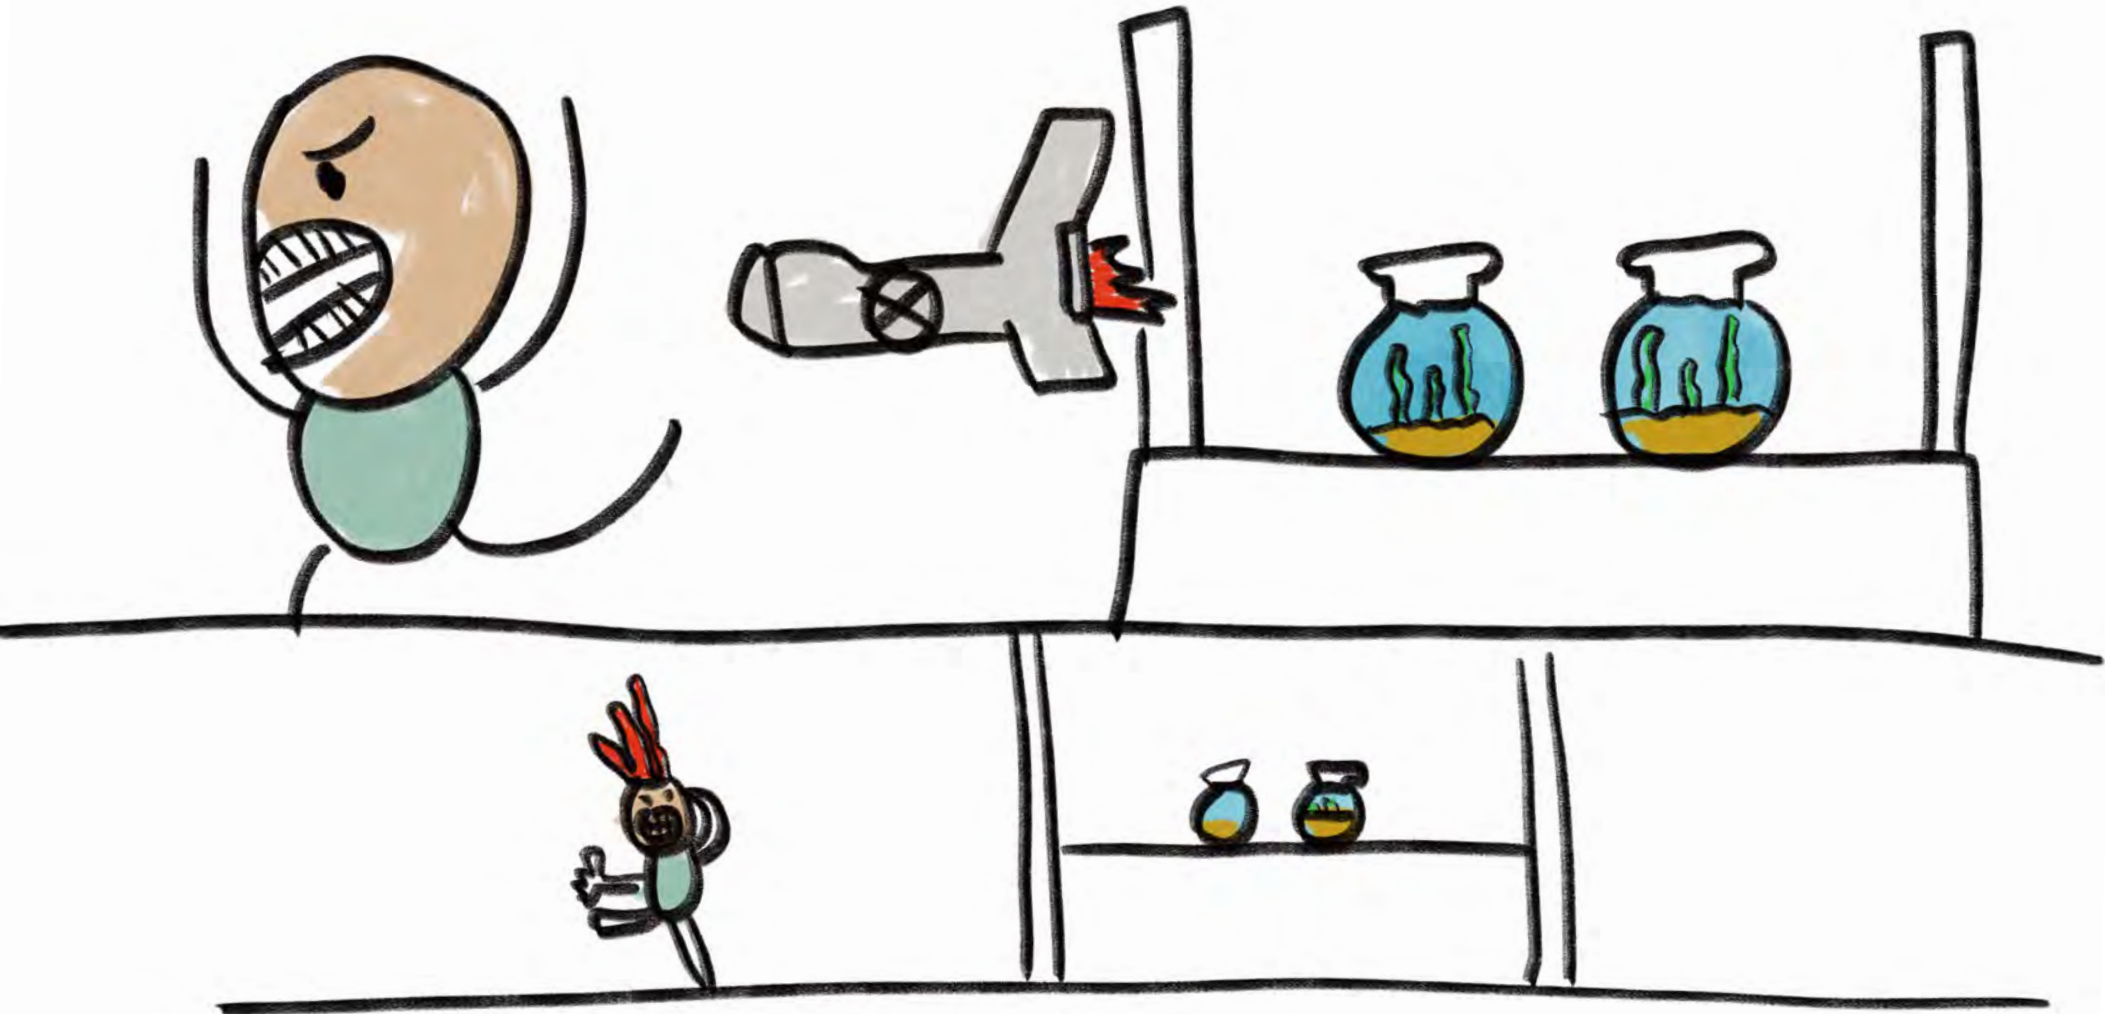

He chewed up
his owners
credit cards...

And flushed
his money down
the toilet.

⑦ and were then he started a fish civil war there
cannons and rockets! and
set it up, fish tanks!

⑧ When his owner got home from the hospital, one of the rockets and his hair lit on fire. The rockets hit him

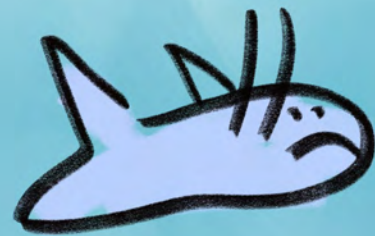

The nutty
to, in get rid of him
the ocean!

fish's owner needed
so he dumped him

He thought that was the end
of Bob the crazy fish...

But Bob just kept eating bigger and bigger fish, growing bigger and growing bigger himself until...

⑪

He was big enough to gobble up
the entire Earth!!
