

Cousin Adventure

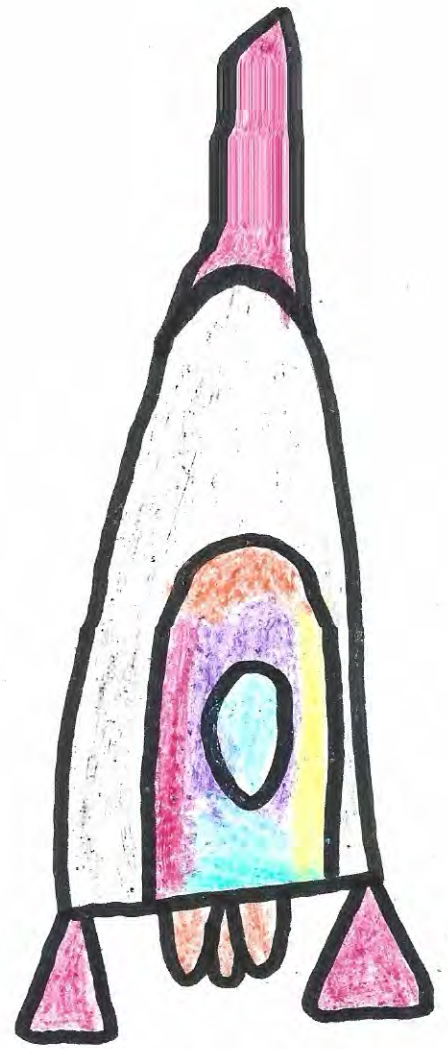

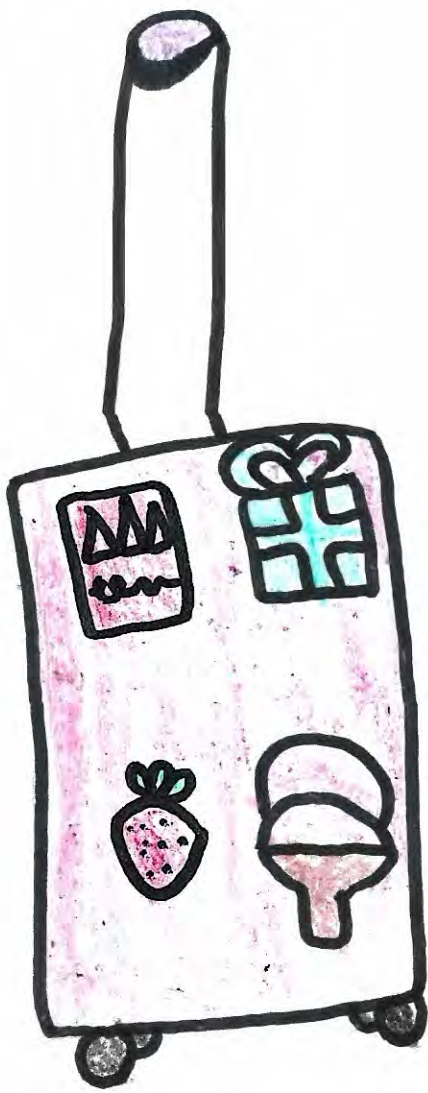

By: Inara

Callie lives on planet
Star where the sky twinkles
rainbow every minute
of the day. Her best friend
and cousin, Viva, lives far
away on planet Gore, a purple
world with rainbow clouds.

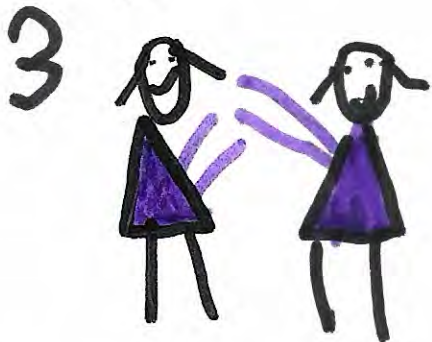

Callie missed Viva so she decided to
plan a surprise trip across space.

She packed her favorite snacks and a special present for Viva, and then hurried to her small silver rocketship. The journey to Gore took ten long hours and was bumpy but she landed

SECRET Handshake

STEPS

Callie rushed to Viva's house. When Viva opened the door, she gasped in shock. The bestie cousins laughed, hugged, and did their secret handshake together.

Because Callie only had one day to visit, They filled every minute. They rode bikes, played silly games, and made exciting science experiments that popped. When it was time to say goodbye, Callie gave Viva her present. It was a snowglobe phone. Now they can call each other and plan their next adventure!
