MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Adventure Awaits

Last month, we were very pleased to host fellow member station GBH as they brought the beloved PBS series **Antiques Roadshow** to the Springs Preserve here in Las Vegas! It was a daylong parade of amazing antiques and incredible items as guests from near and far carried, wheeled and pushed their items across the beautiful grounds of the Preserve. I can't wait to see the episode when it airs early next year.

Being out in the Springs Preserve was a delight, as the bear poppies, prickly pears and other desert plants were in bloom. The bold Mojave sunshine was also plentiful, a proclamation from nature that while summer is right around the corner, there is nothing better than a beautiful spring day in Las Vegas. As our spring gives way to summer, we will journey to 1960s Cambridgeshire as the ninth season of **Grantchester on MASTERPIECE** premieres on **Sunday, June 16 at 9 p.m.**

Robson Green returns as police detective Geordie Keating while Reverend William Davenport (played by Tom Brittney) says goodbye to the quaint English village. But DI Keating won't have to navigate the murder, mystery and mayhem of Grantchester alone. Rishi Nair joins the cast as Alphie Kotteram, the new vicar serving Cambridgeshire. Kotteram arrives with a distrust of authority and is averse to the idea of working with law enforcement. But as strange events unfold in his parish, he and Keating see firsthand how faith and friendship can provide hope in a turbulent, changing world.

“ As you embark on adventure this season, remember that Vegas PBS is your stalwart source of exciting events, informative programming and community engagement.”

Speaking of changes, a reminder that our news and public affairs program **Nevada Week** is moving to **Thursday nights at 7:30 p.m. beginning June 6**. Host Amber Renee Dixon leads conversations with community leaders, policy experts and fellow journalists that illuminate the issues Nevadans are talking about. With the nominating conventions right around the corner, as well as important local and municipal races coming up, watch **Nevada Week** for comprehensive coverage you can trust.

Early summer is also graduation season, but not just for high schoolers and college students: Next month, we'll be recognizing the graduates of our Workforce Education program. With our over 370 career programs and 1,000 short term and compliance courses, many find a path to a fulfilling career through Vegas PBS. That path is not an easy one, however, and we want to honor the hard work that goes into it. At this year's ceremony, we will have graduates ranging from ages 19 to 67.

As you embark on adventure this season, remember that Vegas PBS is your stalwart source of exciting events, informative programming and community engagement. None of this would be possible without your support as a member and viewer. Thank you.

**All the best,
Mare Mazur**
