# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## In Honor of Those Who Have Served

By Mare Mazur, President and General Manager, Vegas PBS

Memorial Day is one of those occasions that asks something simple but important of us: to pause, to remember, and to honor those who gave their lives in service to our country.

This year, that day arrives during America 250, as the nation begins reflecting on its founding and the long history that followed. More than anything, Memorial Day is a day to remember. It reminds us that service carries real sacrifice, and that for many families, that loss is not historical or symbolic, but lived and personal.

**“More than anything, Memorial Day is a day to remember. It reminds us that service carries real sacrifice, and that for many families, that loss is not historical or symbolic, but lived and personal.”**

At Vegas PBS, we are proud to mark the occasion with the **National Memorial Day Concert**, a program that has become a meaningful tradition for viewers across the country. Through music and stories of service, it offers a thoughtful tribute to the men and women who made the ultimate sacrifice, and to the ideals of duty and devotion their lives represent.

In this issue, you will also find information about Memorial Day observances across the valley. I hope it offers one more way to join with others in remembrance.

On behalf of all of us at Vegas PBS, we remember those who gave their lives in service to our country, and we honor the families who continue to carry that sacrifice.

With appreciation,  
Mare

# BE AWARE. BE PREPARED.

Nevada experienced its warmest winter on record, and many areas saw very little lasting snow—leaving more dry vegetation on the ground than usual. These hotter, drier conditions increase wildfire risk, making awareness and preparedness more important than ever.

At NV Energy, your safety is our number one priority. That’s why we work year-round to strengthen our system, reduce fire risk, and protect the communities where we serve, live, and work.

## How We Reduce Risk

To protect communities, we may use one or more of the following safety strategies:

### ■ Fire Season Settings

When fire danger is elevated, power lines in high-risk areas are switched to more sensitive settings. With these settings in place, the line will automatically shut off if something—such as vegetation or debris—comes into contact with it, reducing the likelihood of an ignition.

### ■ Public Safety Outage Management (PSOM)

A temporary, proactive shutoff during extreme fire risk to reduce the chance of equipment-related ignitions. These are forecasted in advance and customers will receive advance notification.

### ■ Emergency De-energization

As a last resort, NV Energy may turn off power if an active wildfire is threatening our equipment. This helps reduce the risk of our equipment contributing to or worsening an existing fire. For public safety, these shutoffs must be taken quickly, so customers may not receive advance notice.

## How You Can Prepare

These tools are critical in reducing wildfire risk—and being prepared helps everyone stay safe and informed when outages occur.

- Update your contact information and sign up for alerts in MyAccount
- Create or refresh your household emergency kit
- If someone in your home relies on medical equipment, enroll in our Green Cross program at [nvenergy.com/GreenCross](https://nvenergy.com/GreenCross)
- Find additional outage preparation tips at [nvenergy.com/outageprep](https://nvenergy.com/outageprep)

Wildfire Awareness Month is a reminder that we all play a part in keeping Nevada safe. Thank you for working with us to protect our communities. To learn more about our wildfire safety efforts, visit [nvenergy.com/PowerSafeNV](https://nvenergy.com/PowerSafeNV).

# *In Remembrance:* **Memorial Day Across Southern Nevada**

Memorial Day Weekend — the last weekend in May — is often seen as marking the unofficial kickoff to summer in Las Vegas, with its pool parties, dayclubs, and music festivals. But it also carries a deeper purpose: honoring the fallen heroes who made the ultimate sacrifice in service to their country and communities. Across Southern Nevada, local groups mark the occasion with commemorative ceremonies, patriotic parades, and quiet moments of reflection. Here are several Memorial Day observances you can take part in and pay your respects. 🎧

**MAY 25**

### **The Honor Project at Southern Nevada Veterans Memorial Cemetery**

**MAY 25**

### **Memorial Day Ceremony hosted by the City of Las Vegas**

The U.S. Navy Junior R.O.T.C., the U.S. Air Force Junior R.O.T.C., and The American Legion members of Nevada participate in the 24th annual ceremony hosted by Ward 2 Councilwoman Kara Kelley and Nevada Post 76 Spirit of Freedom Legionnaires in The Lakes.

# OUR PICKS FOR MAY 17-31

## Lucky Chow: London: Empire on the Plate

Saturday, May 23 at 2 p.m.

London's Asian food culture is inseparable from the history of the British Empire. Danielle Chang moves through Chinatown, Brick Lane and beyond to trace how tea, curry spices and peppers arrived through trade and colonial rule, and how migrants adapted those ingredients into everyday food. From legacy restaurants to new voices, she explores who gets to tell these stories today.
