

Teen Weeks of Film - How To Submit Application:

- 1.) Applications must be **typed** to ensure legibility.
- 2.) Download your completed application as a **PDF** (*other file formats will not be accepted*)
- 3.) Email to brnavarro@kvcr.org
- 4.) Subject Line: “TEEN WEEKS APPLICATION_ [FIRSTLASTNAME]”
(Failure to follow this format may result in your application being overlooked.)
- 5.) **IMPORTANT:** The use of AI in your application will result in immediate disqualification. We want to hear from YOU, your thoughts and your voice.

Please Note: This is a competitive program, and unfortunately, not all applicants will receive a response. Those whose applications stand out will be invited to an interview with staff involved in the program. Students selected for the program will be notified **early spring**.

Please don't be discouraged if you don't hear back this time. If you still qualify for the program next year [*in High school, and under 18*] we strongly encourage you to apply again! You'll already know the process, and will have another great opportunity to stand out.
