

Bringing Beyond the Peaks into your classroom

Mountain Lake PBS is thrilled to host the annual Beyond the Peaks Student Film Festival! Students ages 14-18 can enter as part of a classroom project or independently. Our free, online submission platform is Edlaw 2-d compliant, and gives teachers the ability to assign tasks and monitor students' progress. With free in-person workshops tailored to your needs, Beyond the Peaks is a perfect fit for any school!

Location

- ☐ Virtual
- ☐ My school
- ☐ Mountain Lake PBS
- ☐ Other: _____

Length

- ☐ 45 min - 1 hour intro session
- ☐ 2 hour session with specific subject examples
- ☐ 4 hour session with time for group work

Focus

All sessions will provide a basic introduction to Beyond the Peaks Student Film Fest.

- ☐ **Filmmaking 101** overview
- ☐ **Pre-production** - planning and writing your plot and characters.
- ☐ **Production and post** - techniques and strategies to make your film shine.
- ☐ **Professional and peer review** - look at works-in-progress with a professional media maker and other film fest participants.

Ready to get started?

All workshops by Mountain Lake PBS are FREE of charge, and offer CTLE credit. Contact our team to set up a workshop today!
