

Inspire students with Beyond the Peaks projects

The free annual **Beyond the Peaks Student Film Festival** hosted by Mountain Lake PBS empowers teens **ages 14-18** in **NY, VT** and **QC** to showcase their creativity and talent by creating original short films. The top three winners receive a cash prize and video supplies!

Flexible implementation

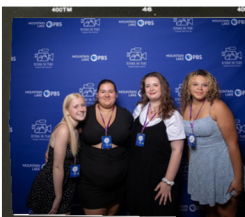

- **Perfect for second-semester** class projects, extracurricular, or electives.
- **Project-Based Learning** experience that fosters problem-solving and collaboration.
- **Practical experience** in filmmaking, storytelling, and multimedia production.
- Suitable for **any subject area**.
- **Edlaw 2-d compliant** online platform with teacher tools to monitor student progress.

Build their future

- Enhance student portfolios, resumes or college applications.
- Nurture interest in tech, design, new media career fields.

Classroom support

- **Free** workshops, virtual or in-person.
- Tutorials and skill-building activities.
- PBS LearningMedia Collection.
