

May Newsletter

Hello Kids Club Members!!

What to watch this month?

Join Daniel Tiger for fun, new adventures in Daniel Tiger's Neighborhood, new episodes streaming on May 6.

[Click here](#) to watch your favorite neighborhood tiger.

HAPPY BIRTHDAY

Happy Birthday to all our members who were born in May!

Click on the picture to see who's celebrating this month. We hope your special day is filled with lots of joy and fun!

Book Corner

Show love to your moms by thanking them for all that they do such as braiding your hair or cooking your dinner like the moms in these books. Click on either title to hear the read aloud version.

Events!

Cinco De Mayo

The fifth of May holiday celebrates Mexico winning the Battle of Puebla in 1862. [Click here](#) to learn more.

Mother's Day

Families all over the world show their love and gratitude to mothers and grandmothers on this special day. [Click here](#) for ideas.

Memorial Day

This federal holiday honors our country's fallen soldiers. [Click here](#) for more information.

(S)

Science Safari

Sink or Float

Find some small toys or objects around the house and drop them in a bowl of water. See which ones sink down to the bottom and which float on the top!

(T)

Tech Tidbits

Stay Safe Online

Ask a grown-up before going online or clicking links. Never tell anyone your name, address, phone number, or where you go to school when you're online (keep everything secret). Don't talk to people you don't know online, because even if they seem friendly, they could be pretending.

(E)

Engineering Explorers

Paper Airplane Launcher

Materials:
Rubber bands,
paper clips,
paper airplane.

Attach a paper clip to a rubber band and then slide the tail of the airplane into the paperclip. Hold the paperclip steady, pull the rubber band towards you, and release. Experiment with different designs to see which one flies further!

(A)

Art Adventures

Shadow Art

Place objects with interesting shapes or textures under a piece of paper and use a flashlight to cast shadows. Trace the shadows onto the paper and color or decorate the shapes for unique art.

(M)

Math Magic

Bigfoot Steps

Bigfoot is walking through the town, leaving footprints along the way. How many feet he walked from the kitchen to the front door?

Use a ruler or tape measure to measure your foot. Count your steps and calculate the distance by adding or multiplying.

Eating Right!

Cereal Experiment

Find out if your cereal tastes different depending on how you prepare it. First, put your cereal in the bowl and then add milk. Next time, pour milk into the bowl first and then add cereal. Tell us which way tastes better!

OR

Just for FUN!

Be a Dino!

Stomp like a T-Rex:

Take big steps forward while stomping loudly with each foot.

Roar like a Velociraptor:

Make loud roaring sounds while crouching slightly and moving quickly from side to side.

For Grownups

New shorts reveal the strength and perseverance of kids experiencing parental incarceration, climate displacement, war, and homelessness. For parents of kids ages 8 and up.

THROUGH OUR EYES

A four-part docuseries from Sesame Workshop for families to watch together.

May 5 at 11 AM

My Mom's a Superhero!

Moms love and help us in so many ways. They are real-life superheroes! Color the shapes below to look like you and your mom.

My mom is a superhero because she _____

Mood Music

Choose a day of the week. At the end of the day, ask your child: *What happened today? What did you do? How did you feel? What happened to make you feel that way?*

Have your child draw a face in the chart and write a word describing the feeling.

Explain to your child that music can often help us express our feelings.

Together, sing a song or listen to some music that reflects how your child is feeling. (If you know how to sing or play "the blues," make up new words to a simple blues melody.)

Repeat the activity a few times during the week. Invite the whole family to join in.
