MPT partnership & engagement opportunities

Sponsorships, underwriting, media partnerships, and advertising

Enjoy improved image perception and increase loyalty by associating your organization with the powerful brands of MPT and PBS. For-profit and nonprofit sponsors can support credible and trusted MPT content on-air, online, in print, and at events.

- Terri Carpenter, managing director, Corporate Support, tcarpenter@mpt.org

Production funding to support program creation

Contribute financially to a particular MPT regional program/series to receive prominent acknowledgment in and association with that program in perpetuity. Funding goes to the specific program/series you select. A co-production partnership gives your organization a larger role in the program's production as a content expert and technical advisor, even helping to identify people and locations to be featured.

- Linda Castrilli, senior production funding executive, lcastrilli@mpt.org

Special events sponsorships

Have your organization's name linked to one or more MPT-hosted public events such as film screenings, galas, receptions, family-focused events, etc.

- Jessie Campbell, director, Special Events & Community Engagement, jessicacampbell@mpt.org

On-air pledge

Offer your group to staff phones for an on-air pledge program, including an on-camera interview with your spokesperson (group size 12-15).

- Stefani Senkus, pledge volunteer coordinator, volunteer@mpt.org

Local and national program acquisitions

Are you a producer with a completed program/series, a project in production, or a concept you'd like to partner with MPT to produce? MPT welcomes the opportunity to review and consider completed programs and programs in development for broadcast and/or digital presentations to local and national public TV audiences.

Producers who have a completed program/series, a project in production, or a concept needing a production partner are invited to complete MPT's online submission form [HERE](#) to have their project reviewed by our team.

Visit mpt.org/acquisitions or contact Stuart Kazanow, acquisitions director, at skazanow@mpt.org for more information about MPT's submission process.
