

PROFESSOR T

The multi-award-winning, much-loved British crime drama is back! This season picks up six months after the shocking events of season 3, where DS Lisa Donckers (Emma Naomi) died. The team must grapple with this loss as a new wave of dangerous crimes sweeps through Cambridge. Professor T (Ben Miller), who has a new musical interest, is more engaged in his lectures. His overbearing mother, Adelaide, and his therapist, Helena, also experience personal developments, including romance.
