

THE AMERICAN REVOLUTION

A FILM BY
KEN BURNS, SARAH BOTSTEIN & DAVID SCHMIDT

PREMIERES NOVEMBER 16 AT 8PM

The much-anticipated new documentary series *The American Revolution* examines how America's founding turned the world upside-down. Thirteen British colonies on the Atlantic Coast rose in rebellion, won their independence, and established a new form of government that radically reshaped the continent and inspired centuries of democratic movements around the globe. The six-part, 12-hour series offers an expansive look at the virtues and contradictions of the war and the birth of the United States of America, following dozens of figures from a wide variety of backgrounds.
