Statement of Supplemental EEO Outreach Activities:

Internship program designed to assist members of the community to acquire skills needed for broadcast employment: Starting January 22, 2024, PBS Guam hosted one student from the University of Guam who interned with our production department for four (4) months. The interests range from production to scriptwriting and editing. The intern actively contributed to editing in-house promotional material and participated in light shooting for various projects. The intern diligently worked to enhance the editing skills and streamline of workflow. By the end of the internship, the progress was evident, showcasing significant improvement.

Participation in job fair. On March 15, 2024 PBS Guam participated in Okkodu High School 2nd Annual Job Fair, "Let's Get Employed," for graduating seniors. Our Clerk Typist II and Accountant Clerk staff participated in this activity by setting up a booth to provide information about our positions and our application. They explained the positions to interested students that picked up the application forms, and told them how to obtain the necessary documents to be employed.
