## Plan for the Future

Since our founding in 1955, PBS North Carolina has evolved by adapting our programming and services to meet the needs of North Carolinians. As your source for public media, we work to prepare for changes on the horizon, and we encourage you to plan for your future with an estate plan.

On April 10, PBS North Carolina is pleased to once again offer **The Basics of Estate Planning**, a webinar with attorney Charlie Davis from Raleigh law firm Poyner Spruill.

Davis, a certified specialist in estate planning, will guide attendees through steps to consider when creating or updating an estate plan. The session will cover important documents that everyone should prepare and keep current, provide insights about wills and trusts and give tips on how to create a plan that protects your interests and the needs of your family.

Let's plan for the future together.
