PBS North Carolina has always embraced change. Since 1955, we've evolved again and again to better serve and inspire you.

Now, it's time for another change: **We will discontinue *CenterPiece* at the end of the year. The December issue will be our last one as we focus our resources in ways that better serve our members.**

What's not changing? Our commitment to you.

Over the years, to respond to viewer needs, we've expanded our website. At pbsnc.org/schedule, you'll find:

- An easy-to-use schedule for our four channels
- Complete program descriptions
- Up-to-the-minute schedule changes
- Links to blogs, video content, event info and more

In short, you'll be able to access more content online than we can possibly fit into a printed magazine. And you can always catch up on your favorite shows on Passport. Learn more about this member benefit at pbsnc.org/passport.

We understand the news about *CenterPiece* might be disappointing. For some of you, this will be like losing a trusted, reliable friend. We share the loss. Please know, however, that we're here to help you stay connected. Over the coming months, we'll continue to share ways to get the info you need.

You've supported us through thick and thin. Your passion for public media is our guiding light, fueling our creativity and inspiring us to move forward even during challenging times.

Thank you for believing in PBS North Carolina. With your help, we'll be here for generations to come.

With gratitude,

David Crabtree, CEO & General Manager, PBS North Carolina

STAY IN THE KNOW

- Subscribe to our weekly eGuide at pbsnc.org/signup.
- Follow us on Facebook and Instagram @mypbsnc.

WATCH!

Math Is the Solution

There is no occurrence that's too strange for **Odd Squad**. In this PBS KIDS series, a team of kid agents faces off against various villains and solves unusual cases using math concepts. Watch every weekend this month, 7–10 AM and 1–4 PM, on Rootle, or stream anytime on the PBS Kids Video app.

Read-a-roo Zoo

Our new online literacy game **Read-a-roo Zoo** teaches young learners to identify sounds in words, an important first step in learning how to read. In the game, players explore zoo habitats with their friendly guide, Read-a-roo. At each habitat, players are asked to match words with similar sounds. Explore the game at pbsnc.org/zoo.

PLAY!

You're Invited!

Join us for a free STEAM party in celebration of our new series **Mini Fab Science Lab**, Saturday, October 18,

10 AM–2 PM, at Marbles Kids Museum in downtown Raleigh. Enjoy hands-on STEAM activities and education resources, meet the cast and watch the series at the Marbles IMAX theater.

For schedules of our four channels, visit pbsnc.org/schedule.

THE AMERICAN REVOLUTION

A FILM BY

KEN BURNS, SARAH BOTSTEIN & DAVID SCHMIDT

PREMIERES SUNDAY, NOVEMBER 16

This new six-part, 12-hour documentary directed by Ken Burns, Sarah Botstein and David Schmidt examines how America's founding turned the world upside-down. Learn how 13 British colonies on the Atlantic Coast rose in rebellion, won their independence and established a new form of government that radically reshaped the continent and inspired centuries of democratic movements around the globe.

Recognizing Special Friends

Gifts to PBS North Carolina offer
thoughtful remembrances.

In memory of: **Pat Simmons**
