Join Us for the 2024 Rootle Roadster Tour!

In collaboration with statewide and local partners, PBS North Carolina delivers powerful resources designed to support effective teaching and inspire lifelong learning for North Carolinians of all ages.

In March we kicked off the 2024 Rootle Roadster Tour at Marbles Kids Museum in Raleigh with a free block party and screenings of the new PBS KIDS series **Lyla in the Loop**.

“At the Rootle Roadster Tour, families can engage in playful learning with S.T.E.M, literacy, art and motor-skills activities and so much more,” says Jewel Lowe, Engagement Program Manager at PBS North Carolina.

Free and open to the public, this family-friendly event series has visited 13 counties throughout North Carolina since 2022. At each stop, PBS North Carolina and community partners share playful learning resources and help build awareness of local support systems and services for our youngest learners and their families.

The Rootle Roadster Tour continues through October with stops in Elizabeth City, Greenville and Asheville. This year's partners include Marbles Kids Museum, the City of Raleigh, the Museum of the Albemarle, the North Carolina Potato Festival, East Carolina University, the Asheville Fall Festival and the North Carolina Zoo. Visit pbsnc.org/RoadsterTour to learn more.

WATCH!

Say Hello to Milo!

This month, get to know **Milo**, a friendly cat who loves meeting people at his parents' dry-cleaning shop and hearing about their jobs. In every episode of this new series, Milo goes with his best friends on an exciting role-play adventure to learn more. Watch **Milo** every weekday at noon beginning Monday, May 13, on Rootle.

PLAY!

Play Catch While You Talk

Help your child learn to be a better communicator by playing a game of catch while talking. It's easier to get into the wait-before-you-speak habit when you're playing a give-and-take game. This activity can help your child learn to balance listening and talking.

Find more family activities at pbs.org/parents.

EXPLORE!

A Day of Learning

Join us in Greenville on Saturday, June 1, for our third annual Impact Early Childhood Education

Summit. Discover strategies for helping young learners grow strong roots and earn credit hours. Register by May 10 at pbsnc.org/impact-summit.
