PBS North Carolina needs your support

We're currently navigating proposed funding cuts that could put your favorite shows and essential services at risk, including:

- Towers that first responders rely on for lifesaving communications day-to-day and during natural disasters like Hurricane Helene.
- Educational resources and programs that help parents, caregivers and teachers prepare children for success in the classroom and in life.
- Over 3,100 hours of locally produced content featuring homegrown stories only we're positioned to tell.

HOW YOU CAN HELP

There are several ways you can help support these important services and send a clear message that North Carolina believes in the power of public media:

- Make a special gift or increase your monthly donation at pbsnc.org/donate.
- Make your voice heard by calling your state legislators.
- Become a philanthropic donor and fuel our future.

Thank you for ensuring that we continue to serve our state with quality programs, trusted resources and critical services.

With gratitude,

David Crabtree, CEO and General Manager, PBS North Carolina
