2024, Here We Come!

We're stepping into 2024 with excitement. The year ahead is all made possible by your generosity. Your financial support drives impact across our state and makes these valuable community events and programs possible:

- The Rootle Roadster will visit five new counties to empower families and help early learners grow and shine.
- Screenings and discussions on meaningful topics—such as Parkinson's disease, the healing power of the arts and gospel music—will bring us together and expand our perspectives.
- New seasons of your favorite programs—from *All Creatures Great & Small* and *Finding Your Roots* to *Reel South* and *Antiques Roadshow*—will uplift and inspire.

When you give to PBS North Carolina, you give right back to your community. Your support makes it possible for us to create and share free trusted content so all our neighbors can learn and thrive.

In 2023, we ended the year on a high note thanks to your support. On November 28, our Giving Tuesday Matching Challenge raised over \$194,000 from 937 donors. Thank you to all our supporters!

A SPECIAL THANK YOU to the following donors for sponsoring our Giving Tuesday Matching Challenge:

- Beth Rosenberg and Debra Markley
- Bob and Kathy Flora
- Emilie de Luca
- Karen Shearin
- Lois Pounds Oliver
- The Enochs Family Fund of the Outer Banks Community Foundation

WATCH!

Block Party: Let's Go Luna!

Let's Go Luna! follows three friends as they travel the world with their parents' performance troupe. Luna the Moon guides the trio—wombat Leo, butterfly Carmen and frog Andy—as they get to know a region and its culture. Watch every weekend this month on Rootle, 7–10 AM and 1–4 PM.

Happy Travels

Play along with your favorite characters from **Let's Go Luna!** with a fun puzzle game from PBS KIDS. Travel around the world with Luna as she teaches you about countries all over the globe. Visit pbsnc.org/postcards to learn more.

Winter Predictions

What's the weather like in your neighborhood? Track it with the **Nature Cat** calendar at pbsnc.org/weather-chart. By charting the weather with your child, you'll help them develop their observation skills. It's also a great way for them to learn more about nature and the environment.

PLEASE NOTE: For the latest scheduling info, visit pbsnc.org/schedule. Program times may vary; add at least five minutes when recording.
