KINDERGARTEN: 3rd Place

"The Tasty Clouds"

by Allistair

Bohach Elementary School

I wonder what clouds taste like.

Maybe I will ride in the hot air balloon to go up to taste it and I am going to tell my family so they won't worry.

If I get up there, I am going to have a big bite and hope it's strawberry ice cream.

When it rains, it tastes like strawberry lemonade and it's so delicious!

If I am full, I am going home and eating dinner and dessert and the sky is a delicious place and I am going to be fat!
