"I Wonder..."

by Maya

Honors Academy of Literature

I wonder if fairies are real. Fairies fly around me and sprinkle pixie dust on me. They would go to school with me and go shopping at the flower store. We would get flowers and go home. Nobody can see it.

I wonder if you could grow candy trees. Getting one candy then planting it and days later you will have a candy garden.

I wonder if rubber bands talk to hair, them becoming friends and talking everyday.

I wonder if my toys come to life. Barbies eating at a restaurant in the cabinet and going to a hair salon in the bathroom. Stuffed animals having a sleepover under my bed.

I wonder if pencils talk to paper. Me drawing a house and them living together.

I wonder if books talk to you. You and your book talking together.
