"Dear Charlie"

JWood Raw Elementary School

Dear Charlie,

Today you may not know how to make new friends, but someday it will get easier.

If you believe in yourself you will feel confident to introduce yourself.

Also, math may be hard for you, but if you persevere it will start to get easier.

Do not give up! Someday you will graduate and go to first grade.

Someday you can be a police officer if you work hard.

Someday I want to have a family so I can learn how to cook.
